Community Preparedness

The screenshot shows the ReadyOC website, which is Orange County's emergency preparedness resource. The header includes the ReadyOC logo, navigation links (About ReadyOC, Contact Us, Translate Page), and a search bar. A banner for "Summer Preparedness Tips" features a thermometer graphic and a link to learn more. Below the banner are three main action buttons: "GET A KIT", "MAKE A PLAN", and "BE INFORMED". The footer displays various community-specific preparedness resources for Seniors, Disabilities, Pets, Schools, Faith-Based, and Business groups. A sidebar on the right shows a Twitter feed with updates from ReadyOC and a "Tweets" section.
