- **FY Dividends**: ~$350 million
- **FY Acquisitions**: ~$30 - $50 million
- **Balance of Free Cash Flow to optimize capital structures of new companies**

* Constant currency (CC)

Note: Prior year reported results included the Health Enterprise related charge of $389 million (including a $116 million reduction to revenue). Where appropriate, the impact of this charge has been excluded when making comparisons of the current quarter’s results against the prior year.

1. Adjustments include amortization of intangible assets, restructuring and related costs, non-service retirement related costs and separation costs.
2. Average shares for the calculations of adjusted EPS for third quarter 2016 include 27 million of shares associated with the Series A convertible preferred stock and therefore the related quarterly dividend of $6 million is excluded. Outstanding represents common shares outstanding as of September 30th, 2015 plus potential dilutive common and preferred shares (includes shares associated with our Series A convertible preferred stock).
3. Installs include Document Technology and Services segments.
4. High-end installs exclude digital front end sales.
5. Entry installs exclude OEM sales, including OEM sales Color A4 up 4%, B&W A4 up 6%

Please see our forward looking statements and non-GAAP reconciliation contained in our third quarter 2016 earnings release posted on our website at [http://www.xerox.com/investor](http://www.xerox.com/investor)
