PUBLIC CONTRACT CODE

Section 20651.5

20651.5. (a) The governing board of any community college district may require each prospective bidder for a contract, as described under Section 20651, to complete and submit to the district a standardized questionnaire and financial statement in a form specified by the district, including a complete statement of the prospective bidder's financial ability and experience in performing public works. The questionnaire and financial statement shall be verified under oath by the bidder in the manner in which civil pleadings in civil actions are verified. The questionnaire responses of prospective bidders and their financial statements shall not be deemed public records and shall not be open to public inspection.

(b) Any community college district requiring prospective bidders to complete and submit questionnaires and financial statements, as described in subdivision (a), shall adopt and apply a uniform system of rating bidders on the basis of the completed questionnaires and financial statements, in order to determine the size of the contracts upon which each bidder shall be deemed financially qualified to bid. The prequalification of a prospective bidder shall neither limit nor preclude a district's subsequent consideration of a prequalified bidder's responsibility on factors other than the prospective bidder's financial qualifications.

(c) Each prospective bidder on any contract described under Section 20651 that is subject to this section shall be furnished, by the community college district letting the contract, with a standardized proposal form that, when completed and executed, shall be submitted as his or her bid. Bids not presented on the forms so furnished shall be deemed nonresponsive and shall be rejected. A proposal form shall not be accepted from any person who, or other entity which, is required to submit a completed questionnaire and financial statement for prequalification pursuant to subdivision (a), but who or which has not done so at least five days prior to the date fixed for the public opening of sealed bids and has not been prequalified, pursuant to subdivision (b), at least one day prior to that date.
