PARSONS

# PROJECT SCOPE/DESCRIPTION

- Project Location – Cobb Parkway and Windy Hill Road Intersection
- This corridor has been long identified as needing improvements due to notable congestion and safety issues as well as a high crash history.
- Evaluating options for grade separation or other intersection improvements
- Goal is to improve safety and operations
- This is a scoping study only to develop an implementation plan as well as a preferred alternative.

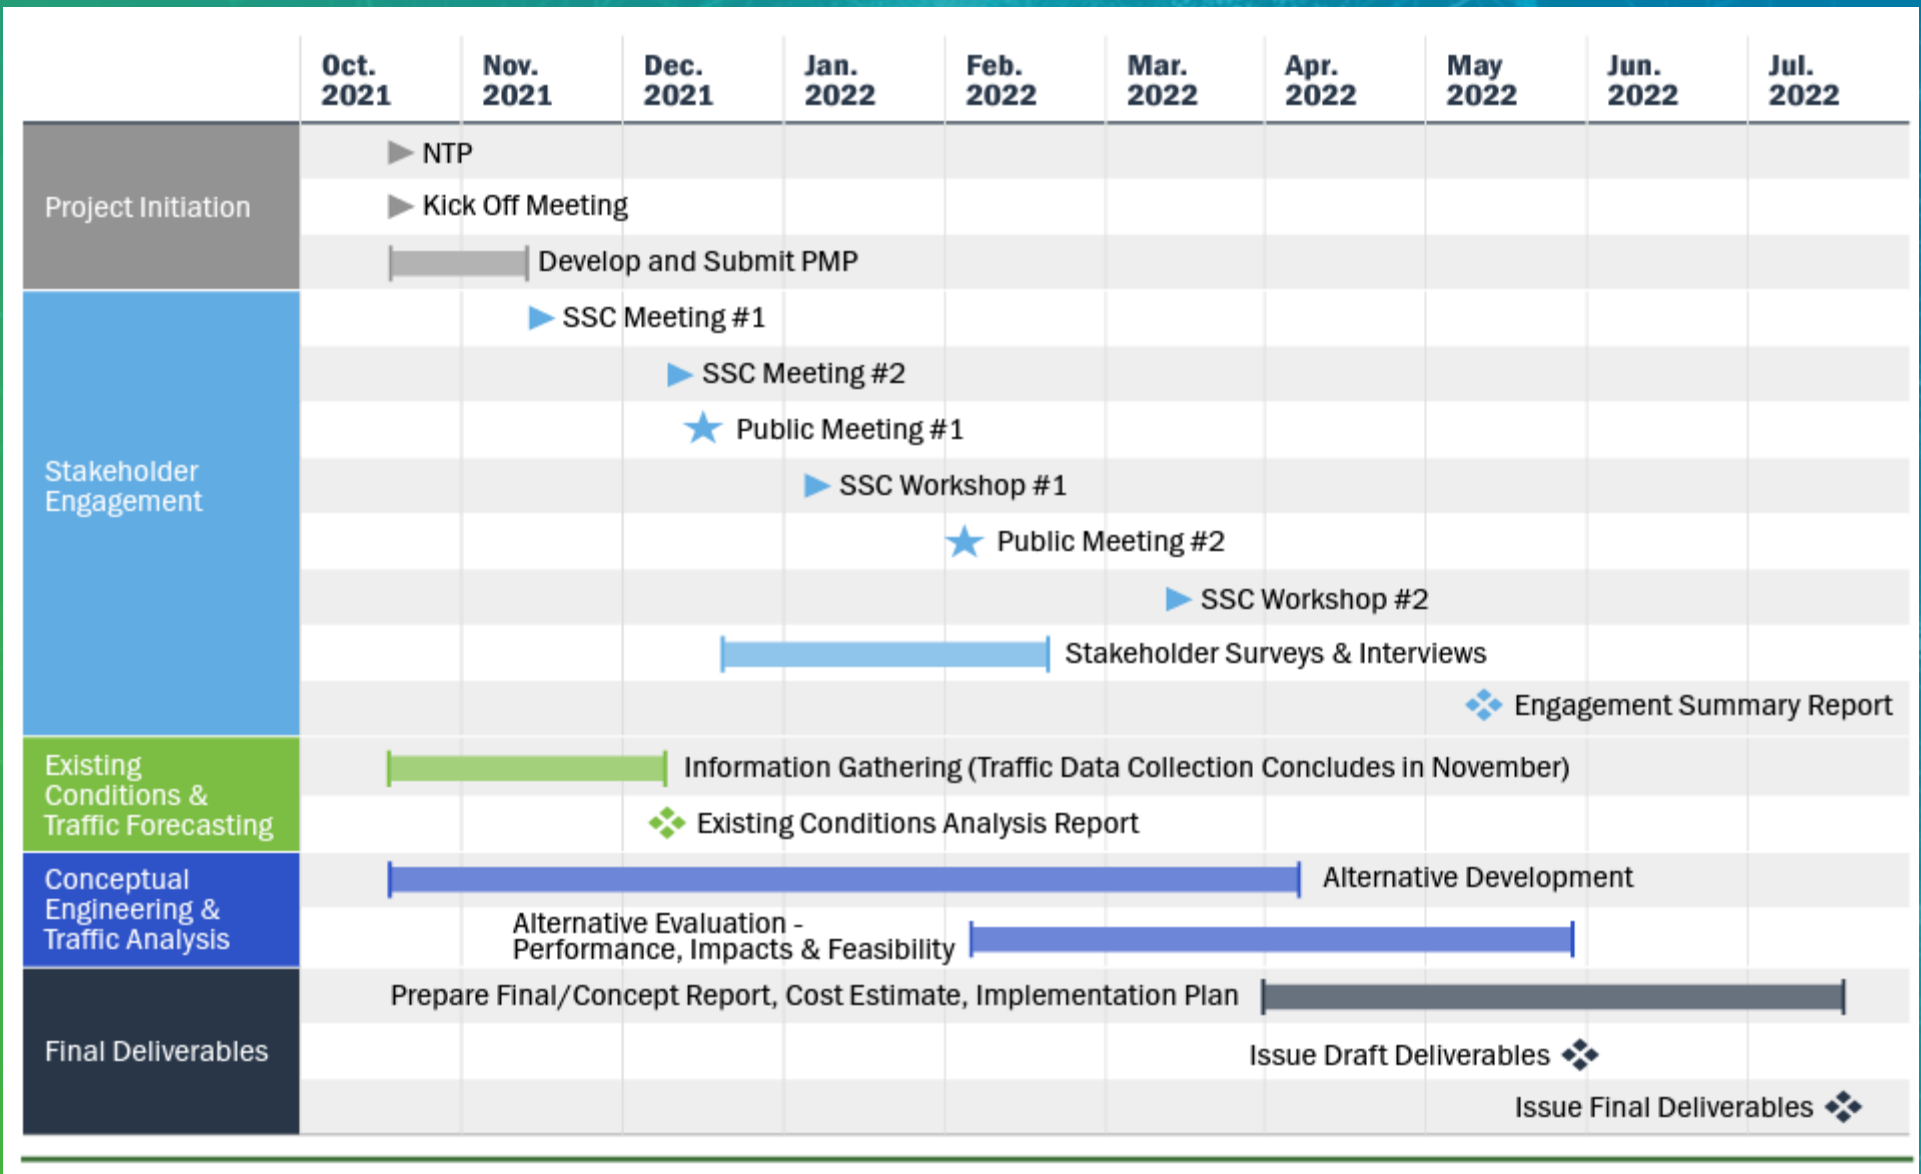

**CITY OF MARIETTA**

**CITY OF SMYRNA**
