COBRA Anthem Open Access HRA

How it works:

Health Reimbursement Account (HRA) - Benefit dollars are provided each year by the HRA funded by Cobb County.

Coverage Level	HRA Dollars	Employee Pays	HRA Deductible
		(Out-of-Pocket Funds)	
Single	\$500	\$1,000	\$1,500
Single + Spouse	\$750	\$1,250	\$2,000
Single + Child(ren)	\$750	\$1,250	\$2,000
Family	\$1,000	\$1,500	\$2,500

· HRA dollars funded by Cobb County for covered out-of-pocket costs for prescriptions and medical services.

- · Once the HRA funds are exhausted, the member will continue to pay for covered medical services that apply toward the deductible until satisfied.
- Prescriptions are subject to co-payments which do not count toward the deductible, but are applied toward the annual out-of-pocket maximum.
 - · After the deductible has been met by a member or members of the family, traditional health coverage will begin, with the member sharing the cost of covered service (coinsurance).
 - Unused HRA funds roll over year-to-year to help offset future out-of-pocket costs. The maximum HRA balance that can be accumulated is \$3,500 for employee only; \$4,250 for employee + spouse or child(ren); and \$6,500
 - If enrolled in the Flexible Spending Account, FSA funds can be used to pay these costs if money has been set aside for the plan year.
