To log-in, simply enter your email address then just click on “FORGOT MY PASSWORD” and click “CONTINUE”. An email will be sent to you providing you with a temporary password. If you receive an error message stating that the system cannot locate your email, you can easily create a new account by following these simple steps:

1. Click on the Create an Account link.
2. Fill out the form for New Account Request completely; including all required fields (Birth Date, Gender, Email Address, etc.) and click submit. Please submit your request only once.

You must have an account created in the new registration system prior to being allowed to register for fall activities. If you have an existing account it is likely we do not currently have your birth date and this is required in the new system as many classes, memberships and fees are based on age.

*SENIOR LEAGUE* – 45+. All players will register individually. Registration is \$50.00. Players will answer questions regarding skill and experience. Players will also be asked if they would like to manage a team. Once registration closes managers will be chosen and a draft will be held where managers will draft teams from the registration pool. Registering as an individual for this league does not guarantee you a place on a team. If there are not enough registrants to create a team, your registration fee will be refunded.

Evaluations will be held Tuesday, August 1st. Attendance at the evaluation will guarantee you a place in the draft. Draft will be held Thursday, August 3rd. Following the draft, you will be notified of your team placement. Teams will have the ability to practice Tuesday, August 8th. Games are scheduled to begin Tuesday, August 15th.

## **ROSTERS & LEAGUE MANAGEMENT**

QuickScores will manage league schedules, scores, and team rosters. All players first and last name and email addressed must be added to your team roster via QuickScores. Players must complete online waiver. Players must be on your roster to be eligible for the playoffs. Rosters will lock after each team's last game of the regular season. If a player is not on a team's roster after the last game of the regular season they will not be able to play in the playoffs, no exceptions.
