## **HEALTH BENEFIT PROGRAMS**

---

### ***WELLNESS PROGRAM:***

Cobb County's Wellness Coordinator will continue to implement programs and initiatives to improve our employees' overall health and well-being. Healthy employees not only reduce health care costs but also contribute to a more productive work force through increased engagement and decreased absenteeism. The wellness program is branded as CobbWell.

CobbWell currently provides two fitness centers for its employees. Between both facilities, the average attendance Monday through Friday is 84 employees and 7 per day on Saturday and Sunday. A portion of wellness funds will go towards the maintenance and upkeep of the fitness centers.

The wellness program will continue to offer exercise programs for Cobb employees. By providing exercise classes onsite, we hope to engage more employees to be physically active. Along with onsite group exercise programs, the wellness program will provide employee registration fees for

a series of local 5k run/walks to help promote exercise and boost employee camaraderie.

Throughout the year, classes, seminars, presentations, and competitions on various topics such as nutrition, sleep, stress, etc. will be offered for employees. Also, the wellness program has been partnering with vendors to bring onsite health screenings such as optometry, blood pressure, and mammograms to employees.

CobbWell will continue to use Chip Rewards to administer the wellness incentive program. When Cobb employees participate in wellness initiatives such as health risk assessments, biometric screenings, completing annual exams, etc., they will earn wellness dollars for their online accounts. The more health improvement actions an employee takes, the more points they will earn for their online account. Dollars can be redeemed in Chip Rewards' online redemption catalog. Employees can exchange points for different rewards such as gift cards, electronics, clothing, or other items. The maximum amount for 2021 will be \$200. There are currently 1,692 employees enrolled in the CobbWell Rewards program.

Anthem and CobbWell partnered to offer Cobb employees and their dependents access to the LiveHealth Online (LHO) Kiosk. LHO is an application which allows people to see board-certified physicians to treat acute health conditions such as colds, fevers, sinus infections, influenza, etc., via webcam, smartphone, or tablet. LHO is more convenient and cost effective as compared to a typical urgent care visit. If medication is needed for treatment, LHO can email a prescription to the person's local pharmacy.

The LHO Kiosk is a standalone unit where employees and dependents can utilize LHO with added features. The LHO Kiosk has a blood pressure cuff, forehead thermometer, pulsometer, derma-cam, and stethoscope installed within the unit. Physicians can walk users through how to use each device to help with a more accurate diagnose. All Anthem covered individuals can use LHO and the LHO Kiosk for a \$10 copay. Individuals on other health plans can use the service for a charge of \$49. The LHO Kiosk is located on the 1<sup>st</sup> floor of 100 Cherokee Street across from the CobbWell Employee Fitness Center.

For plan year 2021, as part of the County's health plan contracting negotiated by the benefits consultant, the County was able to secure Wellness Program funding from the various vendors. Kaiser Permanente has increased their annual commitment to \$70,000 and Anthem has agreed to continue their commitment of \$250,000.

Additionally, CobbWell partnered with Anthem and Solera to offer a Diabetes Prevention Program (DPP) for those at high risk. The program is designed to help participants lose weight, adopt healthy habits, and reduce their risk of developing type 2 diabetes. The program meets weekly for 16 weeks, then monthly for the balance of a year. Those who qualify will choose from a range of in-person and virtual options, including WW® Weight Watchers reimaged, HealthSlate and Platejoy. The program is available at no charge to Anthem members who qualify. Those who enroll and are active at 4 weeks will receive a free Fitbit.

Also, in 2021, CobbWell partnered with Kaiser Permanente and Omada to offer a DPP for employees and their covered dependents who are at high risk for prediabetes. Between offering

Omada and Solera to our employees and their covered dependents, all individuals who are prediabetic have a DPP program available for enrollment.

Finally, a portion of the wellness funds will be used to help improve employee retention and morale by offering different wellness events and services throughout budget year 2021. CobbWell will be using a portion of the wellness funds to support events such as, CobbWell 2021 Employee Wellness Fair, 2021 Healthy Taste of Cobb, and other onsite activities.

### ***MEDICAL and PHARMACY BENEFITS:***

Effective for the 2022 plan year, there will be no plan provision changes and a 9.0% increase to the County's BCBSGA funding rates and 9.0% to respective Employee/Retiree contributions (0.0% for Kaiser plan). On an overall gross basis, the Health Plan costs are budgeted at an 8% increase (9.0% BCBSGA and 0.0% Kaiser).

The above increases are a little higher than normal and follow years of 5.6% and 2.9% overall increases. This year's increase is lower than it would have been due to successful renewal negotiation of an aggressive improvement in the Pharmacy pricing with Anthem for that portion of the plan. The overall increase three years back was 4.1%.

### **Medicare**

The stipend for Medicare eligible retirees will be unchanged for 2022.

### ***DENTAL BENEFITS:***

Effective for the 2022 plan year, there will be an increase of 7% in the employee contributions and the County's funding rates. This is due to a benefit improvement of raising the Annual Maximum from \$1,000 to \$1,500. This plan provision change is needed to keep our plan consistent with the market and our peers.

### **2022 BENEFIT PREMIUMS**

---

In the 2022 plan year, the County will continue the \$35.00 biweekly tobacco surcharge for those employees who identify themselves as a tobacco user during annual enrollment.
