# MEMORANDUM OF UNDERSTANDING CONCERNING ATTORNEY-CLIENT RELATIONSHIP IN VETERANS ACCOUNTABILITY AND TREATMENT COURT

I, \_\_\_\_\_\_\_, having requested to participate in the Cobb County Veterans Accountability and Treatment Court Program ("Veterans Court"), understand that decisions concerning the administration of this program are made by a multi-disciplinary team which may include program administrators, treatment providers, probation officers, Veterans Administration or Department of Defense officials, and attorneys representing both prosecution and defense, under the direction of the Veterans Court judge. While attorneys, including prosecutors, take part in this process, the program does not operate under the traditional adversarial model of other court proceedings. Because of this, I understand and agree to the following:

- 1. Prior to my acceptance into Veterans Court, I have the right to be represented by an attorney, either one chosen and retained by me or one appointed by the Cobb County Circuit Defender's Office. This attorney can advise me, among other things, as to whether Veterans Court is an appropriate and beneficial alternative to the traditional criminal litigation process in my particular case.
- 2. After my acceptance into Veterans Court, the administrator of the Cobb County Circuit Defender's Office, or his designee, will act as the defense representative on the Veterans Court Team. I will no longer have the right to have my previous attorney advise me regarding the decisions made by this team, including the imposition of sanctions where appropriate.
- 3. During my participation in this program, the defense representative will act not as my attorney in the traditional sense, but as a member of the Veterans Court team. As such, he or she will join in discussions and decisions regarding my participation in the program including, but not limited to, my advancement or non-advancement through the phases of the program and the imposition of sanctions for violations of the program's rules or contract.
- 4. The duties of the defense representative as a member of the Veterans Court team may not be in my best interest if I have violated any provision of Veterans Court's rules or contract.
- 5. I will not have the right to have an attorney represent me individually at court appearances during my participation in Veterans Court or before the Veterans Court team, even if the Court is considering whether to impose a sanction. Veterans Court proceedings are not "critical stages of litigation" and therefore I do not have a right

- to be represented by an attorney during these proceedings. I understand that my case may be discussed, and sanctions (including incarceration) may be imposed, without my attorney or the prosecutor present.
- 6. Should the Veterans Court team decide to recommend that the Court terminate my participation in the program due to a violation or violations of the program's rules or contract, I will be entitled to be represented by an attorney, either one chosen and retained by me or one appointed by the Cobb County Circuit Defender's Office. This attorney may then represent me individually in termination proceedings and in any subsequent litigation involving the disposition of my case outside Veterans Court.

I have read this document or had it read to me and have been given the opportunity to ask any questions I may have. I have been given the opportunity to discuss this document with my attorney and have sought his or her advice as to whether Veterans Court would be beneficial for me, and I wish to be considered for participation in this program.

### **CRIMINAL HISTORY CONSENT FORM**

I hereby authorize the Cobb County Veterans Accountability and Treatment Court ("Veterans Court") and/or Cobb County Sheriff's Office to receive any criminal history record information pertaining to me which may be in the files of any criminal justice agency of any state, or any local criminal justice agency in the state of Georgia. This authorization shall be effective at any time during my participation in Veterans Court as well as at intervals of one, two, and five years after my completion of the program. I further give consent to the Veterans Court team to view my juvenile criminal history for the purpose of assessment only. I understand that such juvenile records cannot be used against me as an adult.

### DRUG SCREEN POLICY

I understand that if I test positive for drugs or alcohol at the time of my assessment, it will not be held against me because this screen is used to help determine eligibility for the Veterans Accountability and Treatment Court Program. However, I understand and agree that if I use drugs and/or alcohol at any time after the assessment, even prior to my acceptance or orientation into the program, I will receive a sanction which may include jail or termination from the program. I agree to read and abide by the drug screening procedures explained in these materials or by any member of the Veterans Court team.

I understand that if my urine drug screen indicates a positive result for any illegal or non-prescribed drug or alcohol, based on any testing method approved by the Court, at any time while in the program, I will receive a sanction. I understand that the Court will not conduct any evidentiary hearing to allow me to contest such a result and that I will not be allowed to submit any separate results from any other laboratory or testing process. I understand that I will be given the opportunity to request a confirmatory test at my own expense; however I also understand that should such testing confirm the positive result my sanction will be increased.

I understand that if I test positive on any alcohol and/or drug test, and the result is obtained while I am present at any court or treatment facility, then I will not be allowed to operate a motor vehicle. I will immediately surrender my automobile keys to staff and call someone for a ride home.

I understand that if I miss, or arrive more than 30 minutes late for, any scheduled drug screen, the test will be presumed to be positive. I understand that any sample which does not contain a sufficient volume of liquid for testing, or which is dilute (that is, which contains a concentration of creatinine less than 20 mg/dl), will be deemed inadequate for testing, and the test will be presumed to be positive. I further understand that, for any such presumed positive test, I will receive a sanction which may include incarceration or termination from the program.

This includes the time it will take to read instructions, gather the necessary facts and fill out the form.

Privacy Act Information: VA is asking you to provide the information on this form under 38 U.S.C. Sections 1705,1710, 1712, and 1722 in order for VA to determine your eligibility for medical benefits. #### SECTION VIII - CONSENT TO COPAYS AND TO RECEIVE COMMUNICATIONS

By submitting this application, you are agreeing to pay the applicable VA copayments for care or services (including urgent care) as required by law. You also agree to receive communications from VA to your supplied email, home phone number, or mobile number. However, providing your email, home phone number, or mobile number is voluntary.

#### ASSIGNMENT OF BENEFITS

I understand that pursuant to 38 U.S.C. Section 1729 and 42 U.S.C. 2651, the Department of Veterans Affairs (VA) is authorized to recover or collect from my health plan (HP) or any other legally responsible third party for the reasonable charges of nonservice-connected VA medical care or services furnished or provided to me. I hereby authorize payment directly to VA from any HP under which I am covered (including coverage provided under my spouse's HP) that is responsible for payment of the charges for my medical care, including benefits otherwise payable to me or my spouse. Furthermore, I hereby assign to the VA any claim I may have against any person or entity who is or may be legally responsible for the payment of the cost of medical services provided to me by the VA. I understand that this assignment shall not limit or prejudice my right to recover for my own benefit any amount in excess of the cost of medical services provided to me by the VA or any other amount to which I may be entitled. I hereby appoint the Attorney General of the United States and the Secretary of Veterans' Affairs and their designees as my Attorneys-in-fact to take all necessary and appropriate actions in order to recover and receive all or part of the amount herein assigned. I hereby authorize the VA to disclose, to my attorney and to any third party or administrative agency who may be responsible for payment of the cost of medical services provided to me, information from my medical records as necessary to verify my claim. Further, I hereby authorize any such third party or administrative agency to disclose to the VA any information regarding my claim.

### INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

1. General Information. The Standard Form 180, Request Pertaining to Military Records (SF180) is used to request information from military records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available". Include as much of the requested information as you can. Incomplete information may delay response time. To determine where to mail this request see Page 2 of the SF180 for record locations and facility addresses.

Online requests may be submitted to the National Personnel Records Center (NPRC) by a veteran or deceased veteran's next-of-kin using eVetRecs at http://www.archives.gov/veterans/military-service-records/.

- 2. Personnel Records/Military Human Resource Records/Official Military Personnel File (OMPF) and Medical Records/Service Treatment Records (STR). Personnel records of military members who were discharged, retired, or died in service LESS THAN 62 YEARS AGO and medical records are in the legal custody of the military service department and are administered in accordance with rules issued by the Department of Defense and the Department of Homeland Security (DHS, Coast Guard). STRs of persons on active duty are generally kept at the local servicing clinic. After the last day of active duty, STRs should be requested from the appropriate address on page 2 of the SF 180. (See item 3, Archival Records, if the military member was discharged, retired or died in service more than 62 years ago.)
  - a. Release of information: Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations, the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. The authorization signature of the service member or the member's legal guardian is needed in Section III of the SF180. Others requesting information from military personnel records and/or STRs must have the release authorization in Section III of the SF180 signed by the member or legal guardian. If the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, the surviving next-of-kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the general public. The next-of-kin may be any of the following: unremarried surviving spouse, father, mother, son, daughter, sister, or brother. Requesters MUST provide proof of death, such as a copy of a death certificate, newspaper article (obituary) or death notice, coroner's report of death, funeral director's signed statement of death, or verdict of coroner's jury.
  - b. <u>Fees for records:</u> There is no charge for most services provided to service members or next-of-kin of deceased veterans. A nominal fee is charged for certain types of service. In most instances, service fees cannot be determined in advance. If your request involves a service fee, you will receive an invoice with your records.
- 3. Archival Records. Personnel records of military members who were discharged, retired, or died in service 62 OR MORE YEARS AGO have been transferred to the legal custody of NARA and are referred to as "archival records".
  - a. Release of Information: Archival records are open to the public. The Privacy Act of 1974 does not apply to archival records, therefore, written authorization from the veteran or next-of-kin is not required. In order to protect the privacy of the veteran, his/her family, and third parties named in the records, the personal privacy exemption of the Freedom of Information Act (5 U.S.C. 552 (b) (6)) may still apply and may preclude the release of some information.
  - b. Fees for Archival Records: Access to archival records are granted by offering copies of the records for a fee (44 U.S.C. 2116 (c)). If a fee applies to the photocopies of documents in the requested record, you will receive an invoice. Photocopies will be sent after payment is made. For more information see http://www.archives.gov/st-louis/archival-programs/military-personnel-archival/ompf-archival-requests.html.
- 4. Where reply may be sent. The reply may be sent to the service member or any other address designated by the service member or other authorized requester. If the designated address is NOT registered to the addressee by the U.S. Postal Service (USPS), provide BOTH the addressee's name AND "in care of" (c/o) the name of the person to whom the address is registered on the NAME line in Section III, item 3, on page 1 of the SF 180. The COMPLETE address must be provided, INCLUDING any apartment/suite/unit/lot/space/etc. number.
- 5. **Definitions and abbreviations.** DISCHARGED -- the individual has no current military status; SERVICE TREATMENT RECORD (STR) -- The chronology of medical, mental health, and dental care received by service members during the course of their military career (does not include records of treatment while hospitalized); TDRL Temporary Disability Retired List.
- 6. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by email from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

### PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then retained as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Formation Security (DHS, U.S. Coast Guard), or halfold Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.
