

COBB COUNTY DOT PERMIT FOR AESTHETIC SIGNS/POSTS INSTALLATION

_____ is requesting permission from Cobb
Requestor Name
County DOT to erect County-approved aesthetic signs/posts (*intersections only or throughout
development [underline one]*) in _____.
Development Name

We understand that all aesthetic posts are to be installed in strict accordance with Cobb DOT/MUTCD requirements and the approved signing plan for our development. We further understand that we and our successors will be responsible for the perpetual maintenance of approved aesthetic signs/posts in accordance with the installation and maintenance requirement listed below:

<i>Title (if any)</i>	<i>Company/Organization</i>

INSTALLATION AND MAINTENANCE REQUIREMENTS:

- 1. We understand that Cobb DOT will provide the actual metal signs and that we will be responsible for picking up these signs at the County Sign Shop and installing them to the aesthetic backboards and/or brackets.
- 2. We understand that we will be responsible for the initial installation of these aesthetic signs. After installation, we will be responsible for notifying the County when these aesthetic signs need maintenance, and we understand that the County will install standard County signs until DOT has been notified that the aesthetic signs/posts have been repaired and are ready to be reinstalled. Furthermore, we understand it is our responsibility to repair and/or replace aesthetic signs/posts and to inform the County where in our development the signs may be picked up for re-installation.
- 3. Should we or our successors fail to meet the installation and maintenance requirements detailed herein, we understand Cobb DOT has the right to remove the aesthetic signs/posts and replace them with standard County signs.
- 4. Decorative frames or borders are allowed; however, the frames/borders cannot extend beyond one inch of the sign blank and cannot change the sign shape.
- 5. Sign sheeting requirements shall follow Cobb DOT standards regardless of the aesthetic posts used.
