ONLINE REGISTRATION INSTRUCTIONS

Go to the PARKS home page, www.cobbparks.org, and click on the 'Register Online' button. To log-in, simply enter your email address then just click on "Forgot My Password" and click Continue. An email will be sent to you providing you with a temporary password. If you receive an error message stating that the system cannot locate your email, you can easily create a new account by following these simple steps:

1. Click on the Create an Account link.
2. Fill out the form for New Account Request completely; including all required fields (Birth Date, Gender, Email Address, etc.) and click submit. Please submit your request only once.

You must have an account created in the new registration system prior to being allowed to register for fall activities. If you have an existing account it is likely we do not currently have your birth date and this is required in the new system as many classes, memberships and fees are based on age.
