Dear Parents and Guardians,

We hope this letter finds you and your family well. As we begin the new camp season, we would like to welcome all our new summer families; and would also like to extend a great welcome back to each of our alumni families! As our camp population continues to grow, we are excited to meet the interests of all campers with newly improved programming. Our qualified staff will do their best to introduce your campers to visual arts, athletics, performing arts, fitness, technology, adventure and more. The dedicated staff at our camp sites are looking forward to having another great summer!

Carefully review all the information in this packet and feel free to call one of the listed camp sites with any questions or concerns. You may also visit our website at: [www.cobbparks.org](http://www.cobbparks.org) Please make sure you fill out all your forms and return them before camp begins. Your child may not attend camp unless you have completed your enrollment and emergency contact forms. Last year's forms are not acceptable to admit your child into camp.

We thank you in advance for giving us the opportunity to service your summer camp needs where our goal is to have fun, have more fun, and create great everlasting memories!

Sincerely,

**Clinton Jones**

# Summer Camp Policies

At Cobb County PARKS, we are committed to providing every camper the best and safest possible camp experience. From our programming to our policies, everything we do is steeped in our philosophy “Cobb County.... Expect the best”. We strive to building holistically healthy kids through engagement with understanding, caring and professional counselors laying the foundation for a fun, exciting summer.

## Summer Camp Policies:

- COVID-19 Guidelines
- Discipline Policy
- Anti-Bullying Policy
- Illness & Lice Policy
- Inclusion Policy
- Policy on Electronics, Toys, Trading Cards & Pins
- Potty Training Policy
- Refund & Credit Policies
- Sunscreen Policy
- “Walk-Up” Registration Information

## COVID-19 Guidelines\*

Due to the COVID-19 pandemic, campers shall also be required to comply with COVID-19 health and safety requirements. Cobb PARKS will follow the guidelines of Cobb-Douglas Public Health, CDC, the County Manager and Cobb Elected Officials.

## Symptoms

As a safety precaution, if your camper(s) are displaying any of the following symptoms, please keep them at home.

- Fever or Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

**Symptoms may appear 2-14 days after exposure to the virus.**

## A Health Camp Begins and Ends at Home!

- If your camper is showing signs of illness such as running a temperature (100.4 or above), vomiting, has diarrhea, nasal drainage and/or coughing/sneezing, keep the camper home. This greatly reduces the spread of illness at camp but also supports your child’s recovery. Camp illness policy will be strictly enforced.
- Teach your camper to sneeze/cough in his/her sleeve and to wash his/her hands often while at camp, especially before eating and after restroom breaks. If you really want to achieve impact, teach your camper to accompany hand washing with another behavior: Keeping their hands away from their face.
- Parents are responsible to let the Camp Director/Supervisor know immediately if their child has symptoms or has been diagnosed with any Communicable Disease.

## DISCIPLINE POLICY

Our Camp staff uses the positive techniques of guidance, including logical or natural consequences applied in problem situations, redirection of children to more acceptable behavior, anticipation of and elimination of potential problems and encouragement of appropriate behavior rather than comparison, competition or criticism. Consistent and clear rules are established. Staff members encourage children to solve problems rather than imposing solutions and help children to recognize and respect one another's

feelings. Counselors encourage pro-social behavior such as cooperation, helping, taking turns and constructive verbal communication to solve problems. The goal is to help children internalize rules and become self-directed in their behavior. All camp sites reserve the right to dismiss a child for consistent behavior that makes it difficult or impossible for the staff to meet his/her needs and/or the needs of other children in the group. This will occur without a refund (or portion thereof) or credit towards a future program. This will occur only after parent/staff discussions have occurred.

## Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick or put down another person with the intent to hurt. Bullying happens when a person or group of people want to have power over another; and use their power to get their way at the expense of someone else. Bullying can also happen through cyberspace: the use of e-mails, text messages, instant messaging, and other less direct methods. Bullying may involve, but is not limited to:

- Unwanted teasing
- Threatening
- Intimidating
- Stalking
- Cyberstalking
- Cyberbullying
- Physical violence
- Theft
- Sexual, religious or racial harassment
- Public humiliation
- Destruction of property (park district or personal)
- Social exclusion, inducing incitement and/or coercion
- spreading of rumors or falsehoods

Bullying is inexcusable, and we have a firm policy against all types of bullying. At our camp locations, we strive to ensure that all campers gain self-confidence, make new friends, and leave with cherished memories and friendships that last a lifetime. There is Zero tolerance for bullying, in all its forms, and will not be tolerated.

We will address all incidents of bullying seriously and train our counselor staff to alert Camp Directors of any problems related to bullying. Every person has the right to expect to have the best possible experience at camp, and by working together to identify and manage bullying, we can help ensure that all campers and staff have a great summer.

**\*\*Our camp is no place for a bully. A bully sent home will stay home: No return to camp this summer and no refund.**

## **ILLNESS & LICE POLICY**

All Camps should be notified by phone or email if a child is ill, especially if the illness is communicable. Internally, we keep track of the instances of communicable diseases, and when appropriate will notify the parents of all children that may have been exposed, while respecting the confidentiality of campers and families involved.

### ***Communicable Diseases***

Campers who have communicable diseases will be sent home and may not return to camp until the illness has been treated successfully and the camper is symptom

free. Camper(s) may only return with a doctor's note.

### ***Lice***

Campers who have signs of head lice (itching, head irritation, etc.) will be removed from their group and escorted to the camp office by the Camp Administrator. If we believe there is a possibility of head lice, we will ask the family to pick their camper up from camp. In order to return to camp, a camper must have had all active lice removed from his or her hair and no longer show any signs of infestation, itching or irritation.

## **INCLUSION POLICY**

Cobb County strives to provide a safe and supportive environment for each camper as they work to discover and grow with us regardless of race, gender identity, ethnicity, or background. Our goal is to create an atmosphere where campers feel secure enough to expand their comfort zones, discover new passions and stretch themselves. We have a diverse camper and staff base and will work to ensure that all our staff have the appropriate training and emotional intelligence to effectively support our campers along their journey. Incidents that involve any demographically based or historically charged language or actions that may jeopardize a camper or staff member's physical or emotional safety will be immediately escalated to camp site Directors and could result in dismissal from camp without a refund or credit.

## **POLICY ON ELECTRONICS, TOYS, TRADING CARDS & PINS**

Our Summer Camps strive to provide a program free from video games, cell phones, audio players, toys and other distractions. Please do not permit your child to bring any of these items to camp. They will be busy throughout the camp day and

these items tend to get lost or misplaced when brought to camp.

## **POTTY TRAINING POLICY**

All campers attending camp are expected to be fully potty-trained by their first day of camp. We ask that families provide an extra set of clothes with campers, if a camper has

a history of bathroom accidents. If an accident occurs during camp hours, the staff and Camp Administrator will notify the camper's primary parent/guardian.

## SEVERE WEATHER CONDITIONS

In the interest of safety for all our summer campers, Cobb PARKS has implemented a plan of action regarding severe weather conditions. The plan states that in the event of excessive rain or heat, campers will be brought inside, if located outdoors.

## SUNSCREEN POLICY & PROCEDURE

Our policy is to do everything possible to protect campers from excessive exposure to the sun, while still allowing them to get the most out of outdoor games and activities.

### Sunscreen

Parents/guardians should provide sunscreen for use during the camp day.

Sunscreen sent to camp should be placed in a sealed plastic bag and labeled with the child's first and last name.

Families are responsible for applying the first layer of sunscreen prior to morning drop-off and provide it for use during the camp day.

During the camp day, camp staff will supervise ensuring that each child reapplies sunscreen to exposed skin— including the face, the tops of ears, and bare shoulders, arms, legs, and feet— prior to campers' participation in outdoor programs.

Counselors will not allow sunscreen to be applied when the skin is broken, or an adverse reaction has been observed. When staff notices these reactions, they will report them to the Camp Director who will contact the camper's family. If the parents/guardians have more than one camper attending camp, we ask that each camper have their own supply of sunscreen so that it is readily accessible throughout the camp day.

## REFUND & CREDIT POLICIES

Registration fees are 100% refundable when the department cancels the activity. A participant wishing to withdraw from an activity/camp that has not been cancelled by the department must provide a request at least seven days before the scheduled start of the activity/camp. They may receive 100% credit to the family's account or may request a refund. Within the week prior to the scheduled start of a class refund/credits will not be given except for verified medical/hardship cases. Refunds for payment made by cash or check will be received approximately 2-4 weeks after the refund is requested.

If you wish to cancel your camp registration or apply for a credit to another week of camp, you must do so by contacting the facility manager by email. The following policies and timeline apply.

## “WALK-UP” REGISTRATION INFORMATION

Parents are encouraged to register in advance (on-line). However, walk-up registrations are welcomed on a first come, first served basis at any time pending available spots.

### Waiver Of Liability and Hold Harmless Agreement

For and in consideration of my participation in any Cobb County program or activity I do hereby enter the following covenant:

I do hereby agree not to sue Cobb County, Georgia their officers, agents, employees, or assignees for any reason arising from my participation in such activity.

This covenant not to sue shall be binding upon myself, my heirs, the administrator or executor of my estate or upon any others acting on behalf of myself or my estate. It is expressly understood that this covenant not to sue is entered into for the purpose of avoiding litigation and is a prerequisite to my participation in such activities. This covenant to sue shall be a defense to any action or proceeding which I may bring, or which may be brought, instituted, or taken by my heirs, the executors or administrators of my estate, or any others on my behalf of my estate, against any of the parties listed in the first portion of this document.

I expressly assume all risks and hazards associated with the activities and assume all responsibility, including but not limited to financial responsibility, for any injury, including death, that I may receive while in, or upon the premises where the activities are being conducted.

This covenant not to sue covers, but is not limited to acts of negligence, either by commission or omission, of any type, kind or nature whatsoever.

I hereby state that I am under no disability to contract and have read and understand this covenant not to sue and have entered it voluntarily.

### Photo Release

I understand that, I, as a program participant and/or my minor child listed below, may be photographed for purposes of publication, and I hereby authorize Cobb County, Georgia to publish photographs of our names and likenesses, for use in its printed and online publications (such as newsletters, annual reports, websites, social media and blog posts). I, in both an individual and representative capacity, hereby release Cobb County, Georgia, its Board of Commissioners, its officials, employees, agents, representatives and volunteers, and any third parties involved in the creation or publication of printed and online publications (such as newsletters, annual reports, websites, social media and blog posts) from liability for any claims by me or any third party in connection with my participation or the participation of the minor child listed below

### Field Trip / Pool Time

I also authorize Cobb County PARKS and Cobb County Board of Education employees to transport said child on field trips in a county vehicle. I realize that we will go on field trips such as the movies, water parks, county swimming pool, museums and other locations that will be pre-disclosed before departure.

#### Right to Dismiss

Cobb County PARKS reserves the right to dismiss a child from camp due to inappropriate behaviors such as bringing weapons to camp, harming a staff member or child, vandalizing property including vehicles or equipment, stealing, excessive discipline problems, and other severe behaviors.

#### Emergency Medical Release Agreement

In the event of illness or injury, I hereby authorize the staff of Cobb County to initiate any required medical or first aid procedure, or to obtain emergency medical treatment as deemed necessary, including administration of an anesthetic or other medication and surgery, and I hereby assume the cost of such treatment.

To my knowledge, I do not have any medical or other condition which would prevent me, or my minor child, from participating in the program/activity. I also acknowledge that if I have any reservations or concerns about my, or my minor child's, medical condition, it is my responsibility to consult with the appropriate medical personnel prior to participating in the program/activity.

I am providing this authorization in advance of any specific diagnosis, treatment, or hospital care being required but is given to provide authority and power on the part of Cobb County to give specific consent to the diagnosis, treatment, or hospital care which in the best judgment of a licensed physician is deemed advisable. I understand that every effort will be made to notify the individual indicated as the emergency contact beforehand by telephone.

I further agree that the execution of this release shall not constitute a waiver by Cobb County, its officers, agents, and employees of the defense of governmental immunity, when applicable, or any other defenses recognized by the courts of this State or any Federal court under state or federal law.

I acknowledge, acceptance of this release is not to be construed as an admission of any liability whatsoever by Cobb County, Georgia and/or any of its officers, agents, and employees. This release and hold harmless agreement shall constitute full and complete release of all claims.

I, the undersigned, have carefully read the foregoing release and know and understand the contents thereof. I sign this release voluntarily as my own free act, with full knowledge of its significance, intending to be legally bound thereby.
