

# SILVER COMET EXTENSION - FACT SHEET

PUBLIC OPEN HOUSE | THURSDAY, FEBRUARY 8, 2024

The Silver Comet Extension is part of the vision to connect the Silver Comet Trail to the City of Atlanta and Atlanta BeltLine. This project extends the rail to trail greenway beginning from the East-West Connector and terminating at Plant Atkinson Road. Silver Comet Extension then continues as a sidepath along Atlanta Rd and ends by connecting to the existing trail North of the Chattahoochee River.

**Owner:** Georgia Dept. of Transportation is now the owner of this rail corridor. In 2023, CSX formally abandoned the rail corridor from the current Silver Comet Trail to Plant Atkinson Road.

**Funding:** PATH Foundation will fund construction of the trail.

**Maintenance:** Cobb County has entered into an agreement with Dept. of Natural Resources to maintain the trail.

**Trail Length:** 2.1 Miles

**Trail Width:** 12'-0"

**Pavement Type:** Concrete

**User Safety:** Bollards and stop signs to be provided at road crossings.
