Cobb County PARKS

How to Do Business with Cobb County

June 18, 2024
Cobb County PARKS is divided into three divisions: Administration, Operations, and Services. Administration includes the Director’s office, Business Management, and Human Resources. The Operations Division is responsible for maintaining the parks and its structures, while the Services Division oversees programming offered throughout the department.

We manage 90 properties throughout the County and provide a wide range of athletic, artistic, therapeutic and educational services. Our services encompass recreation centers, tennis centers, aquatic centers, art centers, natural resources and trails.
