

CCPL Perks Partner Agreement

Thank you for supporting the Cobb County Public Library by becoming a CCPL Perks Partner. As a Perks Partner, you agree to provide Cobb County Public Library cardholders with a 10% discount on all products and services when they present their library card and to distribute a **Perks Info Card** featuring our QR code, which links to an opt-in form, enabling us to track program participation and engagement.

We also request that you display the official CCPL Perks Decal on a front door or window of your business to help library patrons identify participating locations.

In exchange, we'll showcase your business to our engaged community by featuring you in our newsletter (30,000+ subscribers) within a dedicated Perks Program spotlight, promoting you across our social media platforms (15,000+ combined followers), and highlighting your business within our library branches through eye-catching promotional materials. As a valued Perks Partner, you will also receive a special invitation to join us at our biggest event of the year, the Summer Reading Kickoff Celebration, which attracts over 1,000 patrons, providing an excellent opportunity to connect with the community and gain even more visibility.
