We hope this letter finds you well. Recently, the Cobb County Fire Marshal's Office visited your property to notify you that we will begin conducting inspections of all Storage and Industrial occupancies that report to the Tier II reporting system. Our visit aimed to provide ample notification of the upcoming inspections to ensure compliance with fire safety regulations and to address any potential fire hazards.

We appreciate your cooperation and want to reiterate the importance of maintaining high standards of fire safety. As part of our ongoing efforts to enhance fire safety within Cobb County, we will begin routine visits to Tier II properties beginning January 1, 2025. If you have the information compiled prior to this date, we will be happy to review it earlier.
