NOTICE OF REVISED ADVERTISEMENT DATE

Date: June 20, 2025

To: All Contractors

Project: Transportation Management Center Upgrades
GDOT P.I. Number: 0019687
Cobb County Project Number: B2583
Cobb County, GA

The Cobb County Department of Transportation wish to formally notify you of the following updates for the Transportation Management Center Upgrades project:

1. **Prequalifications:** The work for the project is classified as Specialty Items. Therefore, the Prime Contractor and Subcontractor(s) are not required to be prequalified with the Georgia Department of Transportation for construction
2. **Disadvantaged Business Enterprise (DBE):** The DBE goal for the project is currently 18%. The DBE participation goal will be identified in the Request for Proposals (RFP).
3. **Project Advertisement:** The project advertisement date has been revised to open on August 1, 2025 with the deadline for bid submissions on September 11, 2025.
4. **Site Visit:** Potential respondents are welcome to tour the Cobb County Transportation Management Center facility up until advertisement of the RFP. Please contact Paul Giles (paul.giles@cobbcounty.org) or Devin Davis (devin.davis@cobbcounty.org) in advance to schedule an appointment.

Please ensure your records are adjusted accordingly and that all necessary preparations are aligned with the above updates.

Thanks for your interested in working with Cobb County Department of Transportation.
