

**TREFIL**  
**CONSULTING, INC.**  
Making Technology Simple!

---

## ***Vendor Profile and Experience***

---

We are a full service, small business, female owned IT organization. Our Corporation is built on 30 years of experience providing our customers superior service and act as a primary point of contact for all their IT needs.

We provide end to end solutions tailored to meet the technology demands of today. Think of the freedom from limitations and budget constraints, expensive IT staff and legacy technologies. Keep current with the latest technology with an affordable easy to use solution!

Through the years we have provided management with effective cost efficient and simple execution with powerful values. They have continually guided our decision making as well as our interactions with our clients and each other. Our strategic partnerships and alliances enable us to bring end to end solution to customers. We can implement very simple solutions, add add-ons, troubleshoot existing environments and upgrade them.

Our customer vertical extends from commercial, education, medical, federal and state. Our most current projects this year consist of:

- DOI, National Park Service - Ohio
- Department of State, Inspector General's Office
- Illinois Housing Development Authority

We cost effectively supplied the proper computer hardware/software for their current network projects. We made sure that the hardware and software specifications met the demands required and verified that their deliveries were complete and on time.

One of our experiences with large scale computer hardware/software rollout consisted of the network architecture and design incorporating Citrix and thin client computer hardware for

747 E. Boughton Rd., Suite 305

Making Technology Simple!

Americall Group, Inc. By deploying two Citrix server silos (over 12 servers) strategically in the mid-west region of the United States, our customer was able to accommodate secure application connectivity to critical business applications to all remote branch offices located in the nationally and abroad in the Dominican Republic.

Trefil Consulting, Inc has read and understands this RFP and we are fully capable of meeting the computer hardware/software demands specified in our catalog to the Florida Education Consortium.

## 2018 Florida Annual Resale Certificate for Sales Tax

DR-13  
R. 10/17

THIS CERTIFICATE EXPIRES ON DECEMBER 31, 2018

Business Name and Location Address

Certificate Number

TREFIL CONSULTING INC  
747 E BOUGHTON RD STE 305  
BOLINGBROOK, IL 60440-2281

78-8016841277-5

By extending this certificate or the certificate number to a selling dealer to make eligible purchases of taxable property or services exempt from sales tax and discretionary sales surtax, the person or business named above certifies that the taxable property or services purchased or rented will be resold or re-rented for one or more of the following purposes:

- Resale as tangible personal property.
- Re-rental as tangible personal property.
- Resale of services.
- Re-rental as commercial real property.
- Incorporation into tangible personal property being repaired.
- Re-rental as transient rental property.
- Incorporation as a material, ingredient, or component part of tangible personal property that is being produced for sale by manufacturing, compounding, or processing.

Your *Florida Annual Resale Certificate for Sales Tax* (Annual Resale Certificate) allows you or your representatives to buy or rent property or services tax exempt when the property or service is resold or re-rented. You **may not** use your Annual Resale Certificate to make tax-exempt purchases or rentals of property or services that will be used by your business or for personal purposes. Florida law provides for criminal and civil penalties for fraudulent use of an Annual Resale Certificate.

**As a seller**, you must document each tax-exempt sale for resale using one of three methods. You can use a different method each time you make a tax-exempt sale for resale.

1. Obtain a copy (paper or electronic) of your customer's current Annual Resale Certificate.
2. For each sale, obtain a transaction authorization number using your customer's Annual Resale Certificate number.
3. Each calendar year, obtain annual vendor authorization numbers for your regular customers using their Annual Resale Certificate numbers.

**Phone:** 877-357-3725 and enter your customer's Annual Resale Certificate number

**Online:** Visit [www.floridarevenue.com](http://www.floridarevenue.com), select "Businesses and Employers" and then "Verify Resale and Exemption Certificates"

**Mobile App:** Available for iPhone, iPad, Android devices, and Windows phones

Verify that all of your Illinois Business Authorization information is correct.

✓ If not, contact us immediately.

✓ If yes, cut along the dotted line (fits a standard 5 x 7" frame). Your authorization must be visibly displayed at the address listed. **Do not discard** - your Illinois Business Authorization is an important tax document that provides you the authorization to legally do business in Illinois.

Trefil Consulting, Inc.  
747 E. Boughton Rd.  
Suite 305  
Bolingbrook, IL 60440

**Re: Letter of Authorization**

To Whom It May Concern:

To the extent that (i) Trefil Consulting, Inc. ("Customer") is a customer authorized to purchase products distributed by Tech Data Corporation ("Tech Data") (provided such vendor authorization requirement applies), (ii) so long as Customer remains in good credit standing with Tech Data (as determined solely by Tech Data), (iii) to the extent Customer does not exceed its credit limits, and (iv) as long as Tech Data maintains a distribution relationship with such manufacturers, Customer may purchase products, for resale, from Tech Data under Tech Data's standard Terms and Conditions of Sale for any vendors listed on the below attached Tech Data Vendor Line Card.

**Please note:** Tech Data DOES NOT make warranties or representations for the products it distributes. Any and all warranties and representations, if any, are granted solely by the manufacturer.

Please contact me if you have any questions.

Sincerely yours,  
TECH DATA CORPORATION

### Florida Buy Membership Acknowledgement Form

I fully understand and agree that an award of the RFP requires enrollment in the PAEC Florida Buy Purchasing Cooperative and a 2% Administrative Fee for sales generated from this contract will be paid quarterly to PAEC, along with a sales report (a template of which will be provided by PAEC) for contract management, marketing, and facilitation of this agreement. The fees will be based off the actual amount invoiced to the entity utilizing the contract and the 2% fee is not to be added to the invoice or otherwise passed to any entity choosing to use this agreement.

I fully understand that the award and contract are approved by a single governmental entity, the Washington County, Florida School District as PAEC's fiscal agent (and lead agency), and are only available for use and benefit of entities complying with state procurement laws and regulations (public and private schools, colleges and universities, cities, counties, non-profits, all other governmental entities and other entities contractually performing work on behalf of an eligible entity provided all state and local public procurement regulations are followed).

I fully understand that PAEC Florida Buy reserves the right to enter into **Intergovernmental Cooperative Purchasing Agreements** with other purchasing cooperatives or state agency purchasing programs in which the products and services offered under this agreement may be utilized in other states and territories. Such agreements will be designed to enhance sales opportunities to the awardee in other regions of the country. Administrative fees may be levied by other entities entering into agreements with PAEC Florida Buy. Under such circumstances, the Awardee/Contract may reserve the right to not participate in the Intergovernmental Cooperative Purchasing Agreement.

I also understand that the contract/agreement may be utilized for eligible entities outside of the state of Florida provided it is allowed under such state's procurement laws and under the same terms and conditions of this agreement.

| 1.                                                                                           | As you envision it, what is your company's role in this partnership? Please include sales and marketing strategies.                                     | I am the President of Trefil Consulting. I am a small female owned business. It is my goal to provide innovated technologies as cost effectively as possible.               |  |
| 2.                                                                                           | Does your company have the capability to provide training seminars to your staff on how to best utilize this contract?                                  | Yes.                                                                                                                                                                        |  |
| 3.                                                                                           | How many staff members are dedicated to customer service?                                                                                               | There are 2 staff member.                                                                                                                                                   |  |
| 4.                                                                                           | Describe your company's ordering process and what methods can be used by members to place or create orders?                                             | Customer can contact us by email or phone to request a quote. The quote is generate and emailed to the customer. The customer emails back their PO and the order is placed. |  |
| 5.                                                                                           | Does your company have regional sites around Florida and equipped for rapid response if desired by a customer?                                          | Yes.                                                                                                                                                                        |  |
| 6.                                                                                           | Please explain the process of responding to a work order.                                                                                               | The customer requests a quote for computer hardware/software. The quote is emailed to the customer.                                                                         |  |
| 7.                                                                                           | What are your payment terms?                                                                                                                            | Net 30                                                                                                                                                                      |  |
| 8.                                                                                           | Does your company accept payment by procurement/credit card? If so, is the member assessed a fee for purchasing with a procurement/credit card?         | Yes we do accept all forms of payment. There is a 4% service fee for credit card processing.                                                                                |  |
| 9.                                                                                           | Does your company offer any prompt payment discounts? If so, please describe.                                                                           | No.                                                                                                                                                                         |  |
| 10.                                                                                          | Does your company require a minimum order? If so, what are your minimum order requirements? If the minimum is not met, what surcharge would you assess? | No minimum order is required.                                                                                                                                               |  |
| 11.                                                                                          | Briefly explain your policy and the lead time required from a member placing an order to receipt of products/services.                                  | Depending on the quantity ordered, our standard lead time is 7-10 delivery time for products ordered.                                                                       |  |
| 12.                                                                                          | Does your company assess fuel surcharges for responses? If so, what is the charge?                                                                      | NA                                                                                                                                                                          |  |
| 13.                                                                                          | At times there are issues with service, please describe your process for addressing these issues.                                                       | We immediately escalate any issues to the owner, Laura Trefil, for expedited remediation.                                                                                   |  |
| 14.                                                                                          | State your company's process for handling dissatisfied customers.                                                                                       | It is our company policy to expedite and correct any issues that may arise from any customer order by escalating the issue to the owner, Laura Trefil.                      |  |

|                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                           |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 15. State your company's process for introducing new products to the list of services you offer.                                                                                                                                                                                                                                                  | We introduce new products to customers using email or conference call.                                                                                                                                    |
| 16. Would your company consider a dedicated inside sales representative that would be familiar with the PAEC Florida Buy contract/program and our membership, be empowered to handle situations as a regular sales account representative would, and be available for quick responses to member inquiries and questions?                          | We are a small female owned business. The owner, Laura Trefil will be dedicated to the PAEC Florida Buy contract program and will provide immediate response to member inquiries and questions.           |
| 17. Would your company be willing to work with each of the Florida regions on sending/ mailing out printed material to members?                                                                                                                                                                                                                   | Yes.                                                                                                                                                                                                      |
| 18. Please describe what your company envisions as a 30-day roll-out and marketing plan. Do you believe your company has enough staff that will be dedicated to PAEC Florida Buy to ensure a successful roll-out in a timely, well communicated, responsive fashion?                                                                              | Yes. We have 2 other staff members that can be dedicated to marketing.                                                                                                                                    |
| 19. Please list the contracts your company currently holds that may compete directly with the PAEC Florida Buy program and describe how you will position the PAEC Florida Buy program versus other contracts.<br><br>If other contracts are available, is the PAEC pricing the same or lower than pricing offered under your existing contracts? | We currently do not have any contracts that would compete with the PAEC Florida Buy program.                                                                                                              |
| 20. How would you educate your sales representatives on the strengths of our contract?<br><br>Would sales representatives be willing to conduct on-site visits with cooperative staff to members to explain the benefits of the Florida Buy Program?                                                                                              | We educate our sales representatives through in-house sales training programs/meetings. We cannot provide on-site visits but virtual meetings members to explain the benefits of the Florida Buy Program. |
| 21. Please describe your marketing plan to reach and connect with our members in Florida. Please note what touch points and connection those members have with sales representatives.                                                                                                                                                             | We are currently conducting a telemarketing/email campaign to all Florida schools districts regarding our products.                                                                                       |
| 22. List any additional stipulations and/or requirements your company requests that are not covered in the RFP.                                                                                                                                                                                                                                   | None.                                                                                                                                                                                                     |

Attachment 6

Contract Offer and Award  
Technology Catalog of Services and Products  
RFP #19-02

In compliance with the Request for Proposal, the undersigned warrants that I/we have examined the Instructions to Offerors, Specifications, Scope of Work and being familiar with all the Terms and Conditions surrounding this proposal, hereby offer and agree to furnish all products and professional services in compliance with all terms, conditions, specifications and amendments in this solicitation and any written exceptions in the offer. Signature also certifies understanding and compliance of this proposal.

The undersigned understands that his/her competence and responsibility and that of his/her proposed sub-Offerors, time of completion, as well as other factors of interest to the PAEC Florida Buy Purchasing Cooperative as stated in the evaluation section, will be a consideration in making the award.

This contract binds said vendor to all Terms and Conditions stated in the proposal and the award will be activated on the date signed by the Lead Agency of the PAEC Florida Buy Program.

Company Name: Trefil Consulting, Inc

Address 747 E Boughton Rd., Suite 305

City: Bolingbrook State: IL Zip: 60440

Contract Contact Person: Laura Trefil

Authorized Signature:  Date: 10/16/2018

**ACCEPTANCE OF OFFER AND CONTRACT AWARD TO BE COMPLETED ONLY BY  
THE LEAD AGENCY OF PAEC FLORIDA BUY PURCHASING COOPERATIVE**

Your Proposal for products and services is hereby accepted by the PAEC fiscal agent and District of Record, the Washington County Florida School Board on \_\_\_\_\_. As Buyer, you are now bound to sell the materials and services listed by the attached bid based upon the solicitation, including all Terms and Conditions, Specifications, Amendments as set forth in the Request for Proposal. The parties intend this contract to constitute the final and complete agreement between the Agency and Buyer, and no other agreements, oral or otherwise, regarding the subject matter of this contract, shall bind any of the parties hereto. No change or modification of this contract shall be valid unless it shall be in writing and signed by both parties to this contract. If any provision of this contract is deemed invalid or illegal by any appropriate court of law, the remainder of this contract shall not be affected thereby. The term of the agreement will be for 3 years with the option to renew for two additional 12-month terms unless terminated, canceled or extended. PAEC reserves the right to terminate this agreement with a 30-day notice within the first year or extended years due to inactivity of sales.

## **Attachment 7 Proposal Checklist**

The following items/submittals are required to be qualified as a Offeror to the RFP. Offerors must submit an electronic version (CD or portable Drive) of their proposal as well as three written copies by the due date and time listed in the RFP by standard mail (USPS, Fed X, UPS, or in person. Written submissions must follow the format listed in the RFP which is 12-point Times New Roman font. Submission made via email will be rejected. Please take a moment and review the checklist provided and ensure all of the required documents have been included with your submission.

Your proposal should include the following:

- ☒ Narrative outlining capabilities, past experience in providing technology products and services, and addressed the various elements in the Scope of Services and Specifications.
- ☒ Offeror Information which includes corporate officers, mailing address, and ability to perform work in all 67 Florida counties.
- ☒ Information regarding current licenses, registrations and certifications issued by federal, state, and local agencies.
- ☒ Attachment 1- Quality Requirement Form
- ☒ Attachment 2- Reference Sheet
- ☒ Attachment 3- Pricing Sheet
- ☒ Attachment 4- Florida Buy Membership Acknowledgement Form
- ☒ Attachment 5- Questionnaire
- ☒ Attachment 6 - Contract Offer and Award Letter
- ☒ Attachment 7- Proposal Checklist
- ☒ Attachment 8- Evaluation Matrix
- ☒ Attachment 9- Company Information

**Attachment 8- Technology Catalog and Products  
Evaluation Matrix**

| Evaluation Criteria                                                                                                                                                                              | Points            | RFP<br>A | RFP<br>B | RFP<br>C | RFP<br>D |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|----------|----------|----------|----------|
| <b>A. Quality Requirements</b>                                                                                                                                                                   | <b>35 Points</b>  | 0        | 0        | 0        | 0        |
| The respondent has all the required license and certifications required to do business in Florida.                                                                                               | 0-2               |          |          |          |          |
| Minimum of 5 years of experience working with governmental entities providing technology, products, services, and support.                                                                       | 0-5               |          |          |          |          |
| The Respondent provides products and services of interest and need as determined by the reviewers of the RFP response.                                                                           | 0-20              |          |          |          |          |
| The Respondent has clearly demonstrated that the company has the staff with the skills and certifications to provide services, products, and consultation to eligible customers.                 | 0-2               |          |          |          |          |
| Comparative analysis of respondent warranty.                                                                                                                                                     | 0-6               |          |          |          |          |
| <b>B. Previous Experience</b>                                                                                                                                                                    | <b>5 Points</b>   | 0        | 0        | 0        | 0        |
| The respondent has provided evidence of at least three references willing to offer comments relative to the experience of working with the company or individual.                                | 0-5               |          |          |          |          |
| <b>C. Pricing/Warranty</b>                                                                                                                                                                       | <b>30 Points</b>  | 0        | 0        | 0        | 0        |
| The relative ranking of this Offeror's pricing proposal, percentage discounts and warranties compared to other RFP submissions based on information provided on excel spreadsheets attachment 4. | 0-30              |          |          |          |          |
| <b>D. Regional/State Use of Contract-Marketing</b>                                                                                                                                               | <b>10 Points</b>  | 0        | 0        | 0        | 0        |
| The extent to which the Offeror has demonstrated the ability to provide products and services to eligible customers in all 67 Florida school districts.                                          | 0-5               |          |          |          |          |
| The extent to which the Offeror has a marketing plan and willingness to execute it to promote the use of the PAEC Florida Buy Contract.                                                          | 0-5               |          |          |          |          |
| <b>E. Contract Terms &amp; Conditions/Specifications</b>                                                                                                                                         | <b>20</b>         | 0        | 0        | 0        | 0        |
| The extent to which the Offeror has provided the required documents and signed all required documents including those in the attachments.                                                        | 0-10              |          |          |          |          |
| The Offeror's proposal contains a diverse catalog of products and services relevant to technology infrastructure, instructional support, online assessments, and digital learning environments.  | 0-10              |          |          |          |          |
| <b>TOTAL</b>                                                                                                                                                                                     | <b>100 Points</b> | -        | -        | -        | -        |

## Attachment 9 Company Information

Please provide updated information for our Florida Buy website. Please include all information you would like to show up on the webpage for your contract. The more information you give the better.
