STAY CONNECTED. STAY COMFORTABLE.

Make every seat the best seat in the room. The Parker Collection blends sleek, modern design with smart functionality – all at an unbeatable value. With clean lines, tufted PU leather upholstery, and a striking chrome base, Parker adds sophistication to any space, from reception and lobby areas to executive offices and collaborative zones. Designed for performance and comfort, Parker's wide arms, supportive foam cushioning, and durable wood frame invite you to settle in while the built-in power station (USB, USB-C, and 110v outlets) allows you to stay connected and stay productive. Whether it's a place to wait, work, or connect, the Parker Club Chair is the smart solution for modern spaces that demand more.
