## NEUTRAL & SLEEK

The Bell Collection keeps any space neutral, yet sleek. With the collection's black seat and metal legs and footings, your space will have both a sleek look and comfort that will last for many years. This simple stool is the perfect addition to any classroom or break area. With its black, plastic seat that compliments the unique black bell glides, this stool is both durable and functional. This stool also comes equipped with a footring, that adds a bit of comfort. Optional casters are also available to make this stool portable.
