LATTICE

[HIGH BACK TASK CHAIR]

ELEGANT & EFFICIENCY

Our ergonomic mesh back task chair combines elegance and efficiency for optimal performance. It features a comfortable 4" padded mesh seat, an upright locking position, adjustable tilt tension control, pneumatic gas lift seat height adjustment, and padded loop arms covered with a black fabric seat. The back is comprised of ribbed mesh and is appropriately curved for optimal lumbar support. The 27" base has a gun metal finish with black caps and rests atop five hooded double wheel casters.
