# COMFORTABLE & ADJUSTABLE

The Medical Stool Collection offers both comfort and variety for your medical office. Whether you are looking for a stool that has a back, or one that is backless, this collection provides both options. With the black, sleek design and chrome base, your medical room will have the perfect accent piece. No matter which medical stool you go with, you have adjustable seating, which will work for any height. The collection also offers a soft caster kit, to make mobility in the medical room a breeze.
