DURABLE & SECURE

Industrial grade steel storage cabinets provide a concealed storage solution that is useful in a variety of places including your home, garage, basement, business, industrial, education, hospitality and healthcare. Storage cabinets are a space-efficient, flexible storage solution. Durable, fully welded construction storage cabinet that will help keep your essential materials organized and secure. Painted Steel is a non-porous surface that is easy to clean and disinfect. Recessed handle with core removable lock and lock rods provides a three point locking system for extra security for your items. Core removable locks can be keyed alike to other units. Shelves are adjustable in 1" increments with 180 pounds capacity per shelf. Limited lifetime warranty. Baked enamel paint provides a smooth durable finish. Meets or exceeds ANSI-BIFMA industry standards. Greenguard gold certified for indoor air quality.
