TRULY INSPIRATIONAL

The Westwood Collection provides the elements to create a truly inspirational office environment. Hand planked wood veneers in a rich, dark roast finish, the color of freshly brewed coffee, show highlights of natural wood that has aged and is mildly distressed. Distressing includes rasping and chopping, along with varied species, solid wood rustic plank tops that accent the dark finish and emphasize the wood's natural beauty for two-tone authenticity. Antique bronze hardware adds a shimmering touch.
