SLEEK & CONTEMPORARY

Would you like to bring a sleek look, without sacrificing comfort to your office space, conference room, break room, or even classroom? Our stackable chair with a chrome frame is your answer. With its generous seat, cutout back, and abbreviated elbow rests, you will get comfort and flexibility without compromising your budget or desired quality. With its two different color options including black and white in stock, you will be able to mix and match to create a trendy and fresh look to any space. With the ability to stack, you can also free up usable space when needed.
