Carton Weight	36.40 lbs.

### Ergonomic Functions:

Adjusts "up and down" seat height relative to the floor.

Allows seat "Rotation" in a full circle.

Allows user to adjust "resistance" with which chair reclines or tilts.

Allows user to "adjust arms up and down" within a set range to accommodate a variety of tasks.

Places the "pivot point" directly above the base center and allows the user to lean back in a seated position.

Allows user to "custom fit chair by adjusting lumbar" for optimum support and comfort.
