

This assembly manual contains important safety information. Please read and keep for future reference.

Model No.: OS9998
Description: Metal Base for OS9997

Care & Maintenance

- Check bolts/screws periodically and tighten them if necessary.
- Use a soft, clean cloth that will not scratch the surface when dusting.
- Clean the product with mild cleanser using soft damp cloth. Do not use harsh or abrasive cleanser.
- Liquid spills should be removed immediately. Using a soft clean cloth, blot the spill gently.
- Heat can cause chemical changes that may create spotting within furniture finish.
- It is best to keep your furniture in a climate-controlled environment. Extreme temperature and humidity changes can cause fading, warping, shrinking and splitting of wood. It is advised to keep furniture away from direct sunlight as sun may damage the finish.

Necessary Tools
