**IMPORTANT NOTE :**

- Place all wooden parts on a clean, smooth surface to prevent the parts from being scratched.
- Check that you have all parts and hardware.
- Remove all wrapping materials, including staples & packing straps before you start to assemble.
- Do not tighten any screws or bolts until the unit is completely assembled.
- Keep all hardware parts out of reach of children.

1

Attach Side Panel-L(B) & Side Panel-R(C) to Back Panel(E) using Cam Lock(1) and Klix Cam(2).

2
