

Robots are tasked with many cutting-edge jobs.

But who can they call when they face cutting-edge legal challenges?

Cohen & Grigsby's Emerging Business + Technology Group helps innovation get to market.

ROBOTS NEED ATTORNEYS TOO.

Business and legal counsel for **EMERGING BUSINESS + TECHNOLOGY**

- **General Corporate and Business Counseling**
- **Protecting and Licensing Ideas and Intellectual Property**
- **Technology Transfer**
- **Financing**
- **Exit and Growth Strategies**

With a multi-disciplinary approach, we work to resolve challenges unique to emerging business and technology.

Our clients are smart and innovative. And so are we.
