# THE COHEN & GRIGSBY DIFFERENCE

One phone call opens the door, starts the conversation and connects you to:

**A Concierge** who has the greatest connection to your overall needs will meet with you quarterly and pull in appropriate services as you need them. If we don't have the internal capability, we will find you an alternative.

**Engagements Done Efficiently, Thoughtfully and on Time.**

**Just-in-Time Counsel** on unanticipated issues, whether it be a human resources issue, weighing a strategic opportunity, reviewing a contract, or checking the status of a state/federal policy.

**Invitations** to private topic discussions and events sponsored by the Firm.

**Post-Engagement Evaluations** so we can continuously improve our services to you.

**Reasonable Fees** based upon your needs that may include hourly rates, fixed fees, monthly retainer arrangements, or other alternative fee arrangements for "ordinary and routine" services.

In a nutshell, we solve problems so you can stop worrying and focus on what matters most—improving the quality of life in our communities for all.
