### Dear Parent / Caregiver

This year Collision Youth is holding our Discipleship Camp during the July Holidays.

'Deeper' is designed as a camp for Christian teens that attend our school or various youth ministry programs.

The group will meet at Glasshouse Country Baptist Church (GCBC) at 9:00am Friday morning the 8<sup>th</sup> July. From there we will be driving to the Bunya Mountains.

The group will stay two nights in a large 44 bed Chalet (named Toolburra) and return late Sunday afternoon 10<sup>th</sup> July (at approx. 5pm).

While on camp the teens will sit in on a series of talks focusing on what it means to be a follower of Christ. There will also be a lot of 'quiet time' allotted in the program where teens will be encouraged to spend time with God, read their bibles and pray.

Of course it wouldn't be a youth camp without some fun activities, so campers will be involved in bush walks, camp fires, swimming (weather dependant) and games (we also have access to Table Tennis, Pool Tables and a Tennis Court). The focus of the camp however will be on discipleship training (what it means to live as a Christian and know our bibles better).

The camp will cost **\$70** per child (**\$60 for siblings who are both attending**). This will help go towards the cost of food, building hire, transport and equipment costs. We ask parents to **please fill in the permission slip and return it and the money** to Youth Group **ASAP**. Also please ensure that your child has completed and handed in a Collision Youth Medical form. Without this form we cannot accept your camp registration.

# Consent Form

Deeper Discipleship Camp  
8<sup>th</sup> – 10<sup>th</sup> July

Dear Parent / Carer,

GCBC (Collision Youth) is pleased to be able to offer our 'Deeper Discipleship Camp', which will include bible teaching, praise and worship.

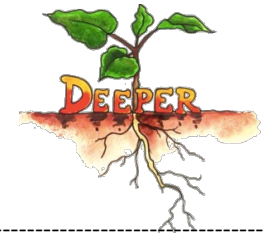

It will also include a range of outdoor activities for its participants, as we believe that young people need stimulation, challenge and safe adventure in their lives.

It is important to acknowledge that all activities come with a certain level of risk. Risks are often associated with the level of 'adventure' of the activity, and the age and enthusiasm of the participants.

Your child has the opportunity to participate in activities (like bushwalks, camp fires and swimming) as listed on the previous page. As these activities are unusual or 'adventurous' in nature, it is important that you understand that there is a higher than normal level of risk involved. While GCBC staff and volunteers take great care in planning and conducting these activities to keep your child as safe as we can, some accidents and injuries are not reasonably foreseeable or preventable. As such, each child that is under 18 years old can only participate in the camp with parental consent.

Please call or email me if you wish to discuss anything.

Yours sincerely,  
Mick Spann (Youth Pastor GCBC)
