MOON ROCKS HIKE

Saturday June 22nd
Saturday Sept. 21st

9:00 am

\$15 / person

Have you ever wondered what it would be like to walk on the moon? If so, come join us for a hike to do just that! This trail is the Moon Rocks Trail located at the "Yellow Creek Natural Area, an 860-acre public preserve owned and managed by the West Virginia Land Trust" in Davis WV. This trail includes massive formations of "moon rock" sandstone bedrock some 480 million years old as well as wetland areas that give way to areas of hardwoods. The hike is approximately 4 miles long and is considered to be strenuous. A shuttle bus will take us to our destination and bring us back to the main lodge. Please wear water proof hiking boots or shoes, trail may be wet, muddy with rocks and roots. On our return to the resort, we will have scheduled stops at local breweries to partake in the local craft beers.

Hike fee is \$15 per person, all beverage purchases are not included in this price and are the responsibility of the participants.

All participants of this hike must be 21 years of age to participate. Proof of age with a valid photo ID is required!
