**NOT YET ENROLLED IN ONLINE BANKING?**  
Get started on Tuesday, November 12, by following these simple steps.

**1** Visit CorTrustBank.com.

**2** Locate the "Account Login," section in the upper right-hand corner. Select "Online Banking" and click "Go" to continue.

**3** Click the "Enroll Now" link just below the login fields.

**4** Complete the following information:

- Account type (checking, savings, certificate, or loan)
- Account number (10-digit number)
- Social Security number (no dashes)
- Email address

Click "Enroll."

**5** Fill out your new username and password (both are case sensitive). Your username must contain at least 6 characters (letters and numbers). Your password must contain at least 7 letters, 1 special character, and 1 number (for example, banking\$4). Click "Continue."

**6** Next, you will need to complete your challenge questions. You will also have the option to register your computer to avoid answering challenge questions prior to each use. Click "Continue." You will then have the opportunity to enroll in Mobile Banking.

# PAYMENT OPTIONS SUITED TO YOU

*Beginning Tuesday, November 12, you will be able to take advantage of CorTrust Bank's on-the-go payment options. Whether you're an expert at mobile payments, making purchases online, or using technology for person-to-person transfers, we have the payment options for your needs.*

## APPLE PAY

Paying in stores has never been easier or safer. Gone are the days of searching for your wallet and right card. With Apple Pay, you can use your credit cards, store credit cards, and rewards cards with just a touch.

## VISA CHECKOUT

Have you been looking for a simpler way to checkout online? Visa Checkout makes online shopping easier, allowing you to click, pay, and be on your way! Set up your account and start spending less time filling out forms when you shop online. Plus, Visa Checkout works with your existing debit or credit cards right from your tablet, laptop, smartphone, or desktop.

## POPMONEY

Popmoney is the convenient and easy way to send, request, or receive money from just about anyone online or through your mobile device. With this payment option, you can send money to your weekend babysitter, request money for the concert tickets you bought for friends, and even split costs with large groups.
