\$150 to \$1,150 in Rebates!

Quality installation not only conserves energy and money, but it also prolongs the life of your equipment and enhances comfort. Bottom line? Choosing a certified Quality Install contractor guarantees you get the most value from your new HVAC system.

We offer rebates ranging from \$150 to \$1,000 for qualifying HVAC equipment. We'll even add an extra \$100 if it's installed by a certified Quality Install contractor.

To find a Quality Install contractor near you, visit www.brightenergysolutions.com and click **Find Contractors**.
