

Calm, Cool, Qualified.

Cooler Homes Start With Quality Installation.

Summer temps are right around the corner.
Is your home ready?

Choosing a certified Bright Energy Solutions®
Quality Install contractor guarantees your home's
HVAC system will operate with maximum efficiency.

\$150 to \$1,150 in Rebates!

Quality installation not only conserves energy and money, but it also prolongs the life of your equipment and enhances comfort. Bottom line? Choosing a certified Quality Install contractor guarantees you get the most value from your new HVAC system.

We offer rebates ranging from \$150 to \$1,000 for qualifying HVAC equipment. We'll even add an **extra \$100** if it's installed by a certified Quality Install contractor.

To find a Quality Install contractor near you, visit
