*Because you only sweat the truth!*

**THIS  
STINKS!**

- ✓ Highly reliable and forensically defensible
- ✓ Long-term, continuous drug testing
- ✓ Tamper evident
- ✓ Gender-indifferent
- ✓ Quick application and removal
- ✓ Increased window of detection
- ✓ Retains evidence of drug use over the entire wear-time
- ✓ Hygenic: No handling of urine
- ✓ Detects both parent drug and metabolite
- ✓ Proven drug-use deterrent for over 20 years

**EXPANDED OPIATE PANEL:** Cocaine, Morphine, Codeine, Amphetamine, Marijuana, Phencyclidine, Hydromorphone, Hydrocodone, Fentanyl, Norfentanyl, Oxymorphone, Oxycodone, Benzodiazepines, Methadone, Buprenorphine, and Norbuprenorphine.

**STANDARD PANEL:** Cocaine, Morphine, Codeine, Amphetamine, Marijuana, Phencyclidine, Hydromorphone, and Hydrocodone.

**ADD-ON PANEL:** Fentanyl and Norfentanyl

**THIS  
DOESN'T.**
