

OUR MISSION

Thank you for your interest in booking your wedding or event at Ponce Presbyterian Church in Atlanta, Georgia, located at the cross section of Piedmont and Ponce de Leon Avenues. Ponce Presbyterian is a Gospel-centered Christian community. We worship the triune-God and embrace the good news of Jesus's life, death, resurrection, and eventual return. It's only through this good news, and by the Lord's grace and mercy, that anyone can have a relationship with God and be part of His Kingdom.

We want the power and transforming love of God to pervade every aspect of our lives, our families, and our communities. What would it mean to proclaim the grace and truth of Jesus with our lives? We seek to reach all of Midtown, indeed all of Atlanta, with this good news – to the homeless, broken, and disillusioned.

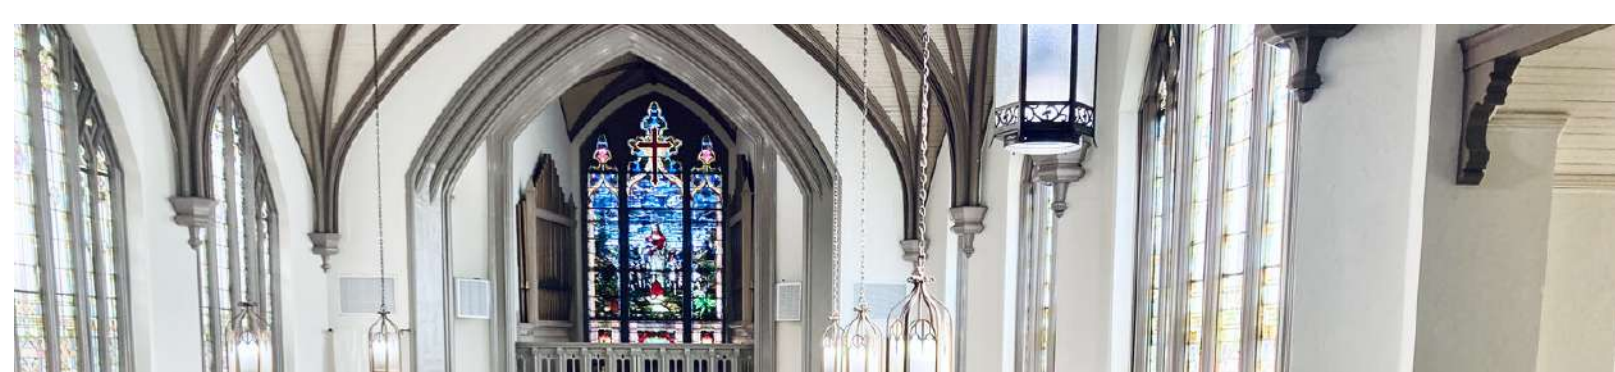

OUR BUILDING

Ponce Church gathers in a historic, Gothic-Revival church built in 1916 and designed by Charles H. Hopson. Ponce Church has served the community in a myriad of ways over the last century through multiple church congregations and even as a restaurant for a short period of time. Extensive renovations in 2018 adapted the building for modern use but preserved its historical elements such as the unique contrasting brick exterior and exquisite stained glass windows.
