

HARVESTER 30

The Harvester™ 30 is the smaller cousin of the Harvester Big Bore 338, and at only 11oz. is the lightest direct thread .300 Win Mag silencer in existence. Specifically designed for hunting and long range precision shooting applications, the Harvester 30 features a recoil-reducing Anchor Brake to facilitate quick target reacquisition and follow-up shots. Using modular thread adapters, the Harvester can be used on a wide range of threaded barrels.
