

Open-air cinema

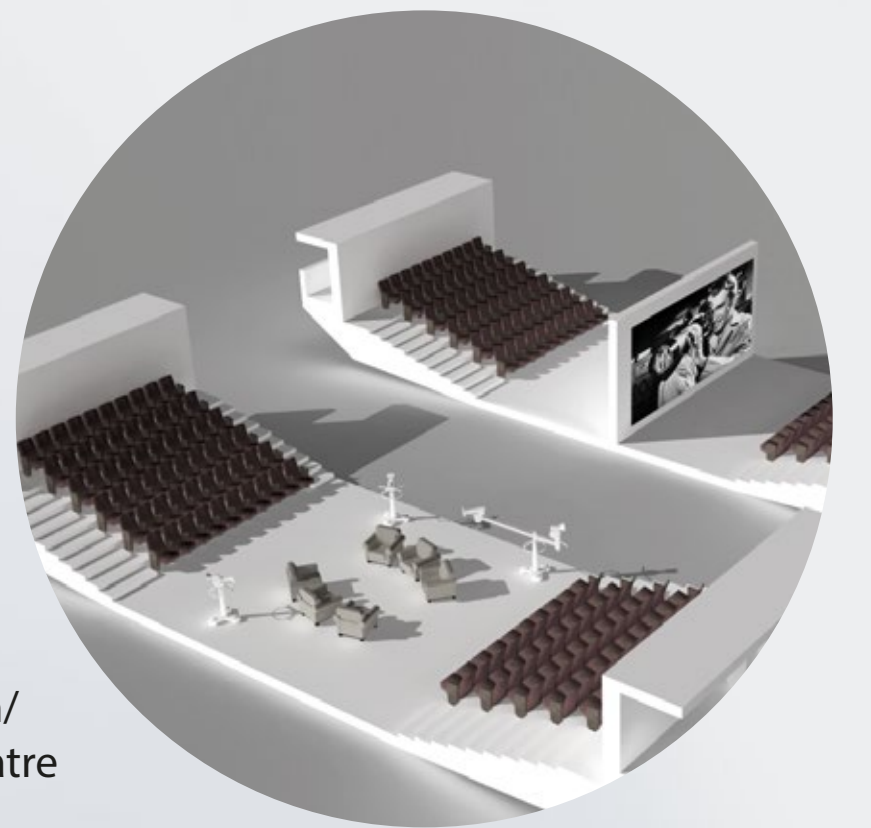

Lounge/
Interview space
the design of the film encourages the public to spend all day in the entertainment rooms between the two films.

It invites the public to go to see unsung films, meet the crew and have Q&A sessions with the director.
In addition, this public dialogue will create a ripple effect and diffuse the tendency towards piracy as the viewer feels a stronger affinity towards the independent film industry.

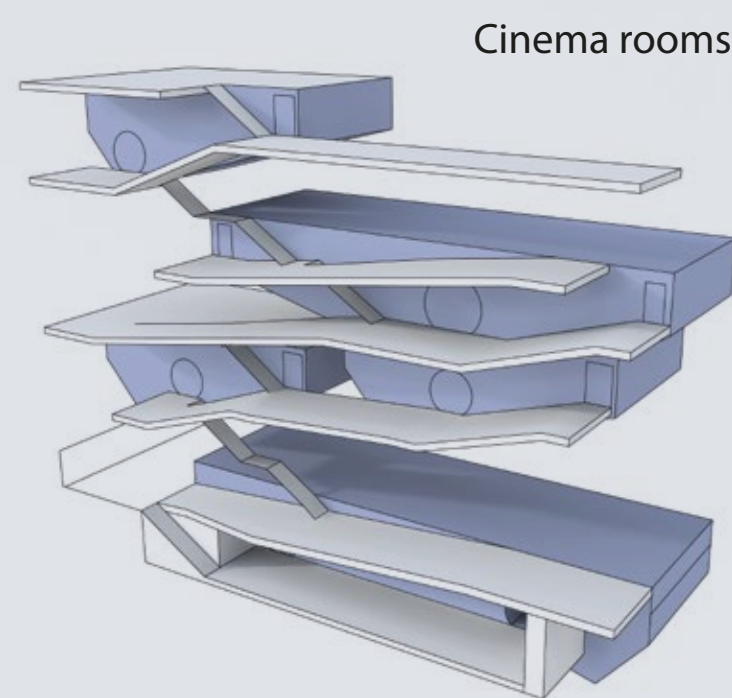

Private projection rooms

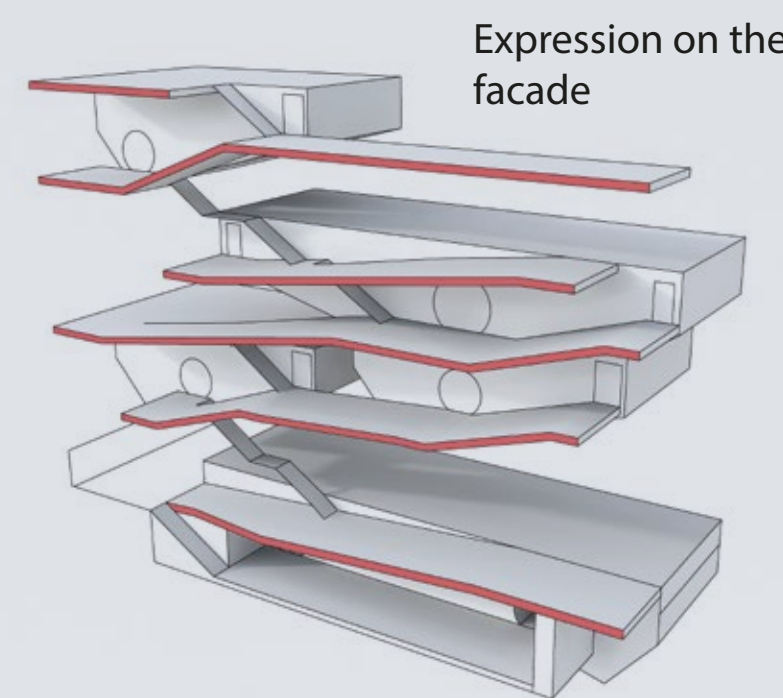

Press room/
Movie theatre

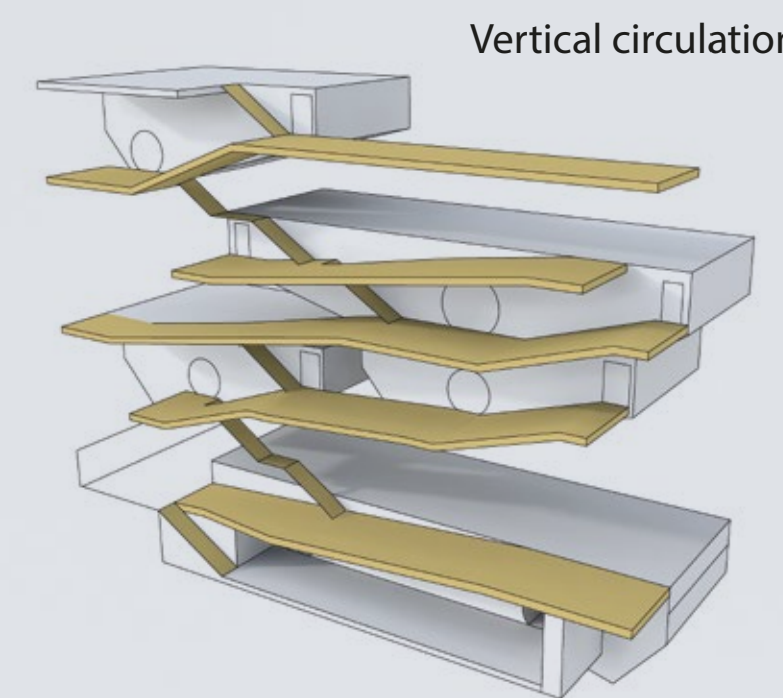

As a result of the Film Festival Cinema, small London festivals can develop and it would certainly encourage new ones to emerge.

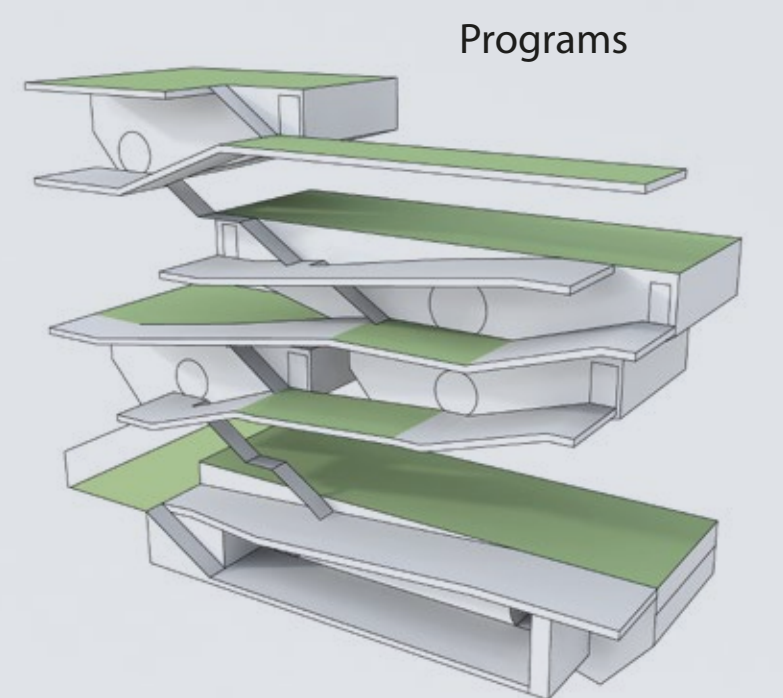

Cinema rooms
