

Part # DC00-10003

WARRANTY NOTICE

Follow the guidelines below to take full advantage of your **PolyLast SK®** warranty. Failure to do so could void your warranty and may lead to premature failure, damages and/or injuries:

- DO NOT use alternate components and/or hardware in conjunction with **PolyLast SK®** spring eye bushings
- Always use matching **PolyLast SK®** components on both sides of the vehicle
- DO NOT exceed the 20,000lb GAWR (Gross Axle Weight Rating)
- Use proper installation tools and installation methods
(see installation instructions)
- DO NOT expose **PolyLast SK®** spring eye bushings to excessive heat
(i.e. welding or torch use)
- Please note on the rear of front shackle kits the pin is part of a single unit
bushing assembly. It should be installed and removed as a single piece, not
a separate pin and bushing.

ATRO®Engineered Systems, Inc. can not be held responsible for any failure, damages, or injuries that may result from not adhering to these guidelines.
