

PROJECT OBJECTIVES

- **continuity** between historical layers and modern structure
- **connect public spaces** of human scale
- establish **connection** between pedestrian spaces
- create an **accessible and safe connection** between the visitors and exposed archaeological values
- enhance the **accessibility**
- **ensure activity** - at all times of the day and all year round
- create **modern urban design**
- economic feasibility of the conceptual solution

SOFIA MUNICIPALITY ANNOUNCES AN OPEN COMPETITION FOR THE RESTORATION, RENOVATION AND CONSTRUCTION OF **SVETA NEDELYA SQUARE** AND ITS ADJACENT PUBLIC SPACES, AIMING TO CREATE A NETWORK OF PUBLIC SPACES WHILE PRESERVING THEIR IDENTITY
