FALMEC

Founded in 1981 as a small artisan company, Falmec has succeeded in establishing itself on the Italian and international market as an excellence of the Made in Italy in the range-hood industry. Always committed to technological research and to a refined design, the company has recently presented innovative solutions for cooking and for the air treatment even for outside the kitchen environment, leveraging the long experienced gained throughout the years in the range-hood industry.

DESALL

Desall.com is an open innovation platform dedicated to design and innovation, that offers to companies a participatory design tool involving in the creative process an international community coming from all over the world. To date Desall gathers more than 100000 creatives from over 210 countries and has collaborated with international brands like Luxottica, Whirlpool, Electrolux, ALESSI, Enel, Leroy Merlin, KINDER, Barilla, illy, Chicco, Mondadori and many more.

Thanks for the contamination of different cultural backgrounds and creative industries, the Desall community is able to provide high-quality project solutions for every product development phase requested by the client, from concept to product design, from naming to packaging.
