

# How to Redeem a CompleteSpeech App Code

## Before You Begin

---

Make sure to have an Apple iPad or iPhone available, that it's charged, connected to the internet, that you have the Apple ID logins you want linked to the app, & that the code CompleteSpeech gave to you is readily available.

- [ 1 ] Power on your Apple Mobile Device
- [ 2 ] Select the IOS App Store Icon
- [ 3 ] Select the "Featured" tab
- [ 4 ] Use your finger to scroll down to the very bottom of the "Featured" window
- [ 5 ] Choose the "Redeem" icon
- [ 6 ] A window will pop-up asking for your Apple ID logins. Enter your Apple ID logins you want linked to the app & press "Ok"
- [ 7 ] Manually enter the code that CompleteSpeech sent you
- [ 8 ] Choose "Redeem" once you have entered the code in its entirety & correctly

## Success

---

Success! You are now downloading the app you entered the code for. It should appear at the end of all your currently downloaded apps. Make sure to go to YouTube & search CompleteSpeech (no space) & subscribe to our channel where there are two dozen video tutorials on our apps. Please feel free to contact us if you have any questions.
