

COMSEP Grant Committee Membership Application

Thank you for your interest in participating on the COMSEP Grant Committee. This is a self-application form requesting information about your interest and experience with scholarly activity, grant review participation, or guiding and promoting educational scholarship in Pediatrics.

COMSEP Grant Committee Charge from the Executive Committee:

The purpose of the COMSEP Grant Committee is to promote and support innovative educational scholarship that is designed, implemented, and evaluated by COMSEP members. The grant program is supported, in part, by both the Richard T. Sarkin Foundation for Medical Education and MedU.

COMSEP Grant Committee Goals and Activities:

The COMSEP Grant Committee facilitates membership interest and involvement in scholarly activity related to pediatric medical education. Committee activities include: a) preparation of the annual Call for Proposals; b) participation in responding to queries about the grant proposal process; c) grant application review and awardee selection such that meaningful feedback is provided to applicants; d) attendance at the annual COMSEP Grant Committee Meeting to review the progress of active grants as well as process, outcome, impact and policy issues related to the COMSEP Grant Committee's work and the research products of grantees. Grant Committee terms are 5 years in length.
