

## **Punta Cana**

Grand Sirenis Riviera Punta Cana offers its clients a diagnostic testing service to detect Coronavirus. This service is available directly at the hotel, through an officially certified laboratory for carrying out PCR and antigen tests. Both tests can be requested 7 days a week by appointment. This can be arranged at the medical center from 09:00 to 17:00. Our clients can access the results of both tests in 2 languages, Spanish and English.

- The PCR tests will be carried out from 09:00 to 17:00, at a price of 80 USD per person and the client will have the result in 48 hours.
- The antigen tests will be carried out from 09:00 to 17:00 at the price of 35 USD per person, and the result is delivered in three hours.

To book the covid test is direct with the medical center. Can pay with Dominican pesos, US dollars or Credit card.
