

# We're glad to meet you!

Along with your catalog, here are a few **Common Core correlated products** we think you'll love.

## Math

Target the Question™ is a unique problem-solving program using weekly problem scenarios with daily questions. After using this supplementary math program for only 10-15 minutes each day, students will be able to find needed information, eliminate extraneous information and effectively use problem-solving strategies.

For a **FREE** 2 week sample & more information visit:
