

Using Coffee Stirrers to Develop and Test Geometric Concepts

**Rice University School Mathematics Project
Houston, Texas
<http://rusmp.rice.edu>**

**Susan Troutman
troutman@rice.edu
Director of Secondary Programs**

**Carolyn L. White
clwhite@rice.edu
Director of Elementary Programs**

Topics

1. NCTM Standards for Geometry in Grades 3-5
2. Van Hiele Levels
3. Exploring Geometric Terms
4. Exploring Polygons
5. Angles and Triangles
6. Special Types of Quadrilaterals
7. Testing Conjectures
8. Building Three-dimensional Figures
