

*"Can you say  
more about  
that?"*

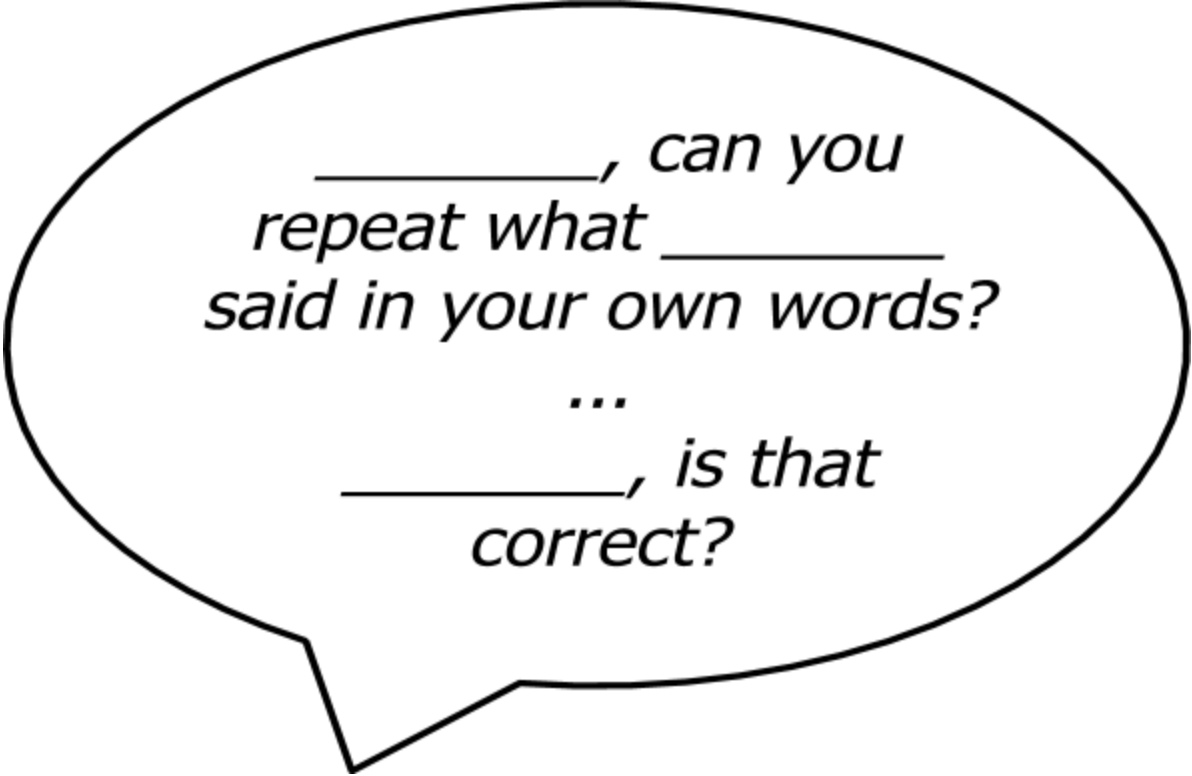

*Tell us more  
about your  
thinking.*

*Can you give  
an example?*

*Let me see if I  
understand. So  
you're saying...  
Am I correct?*

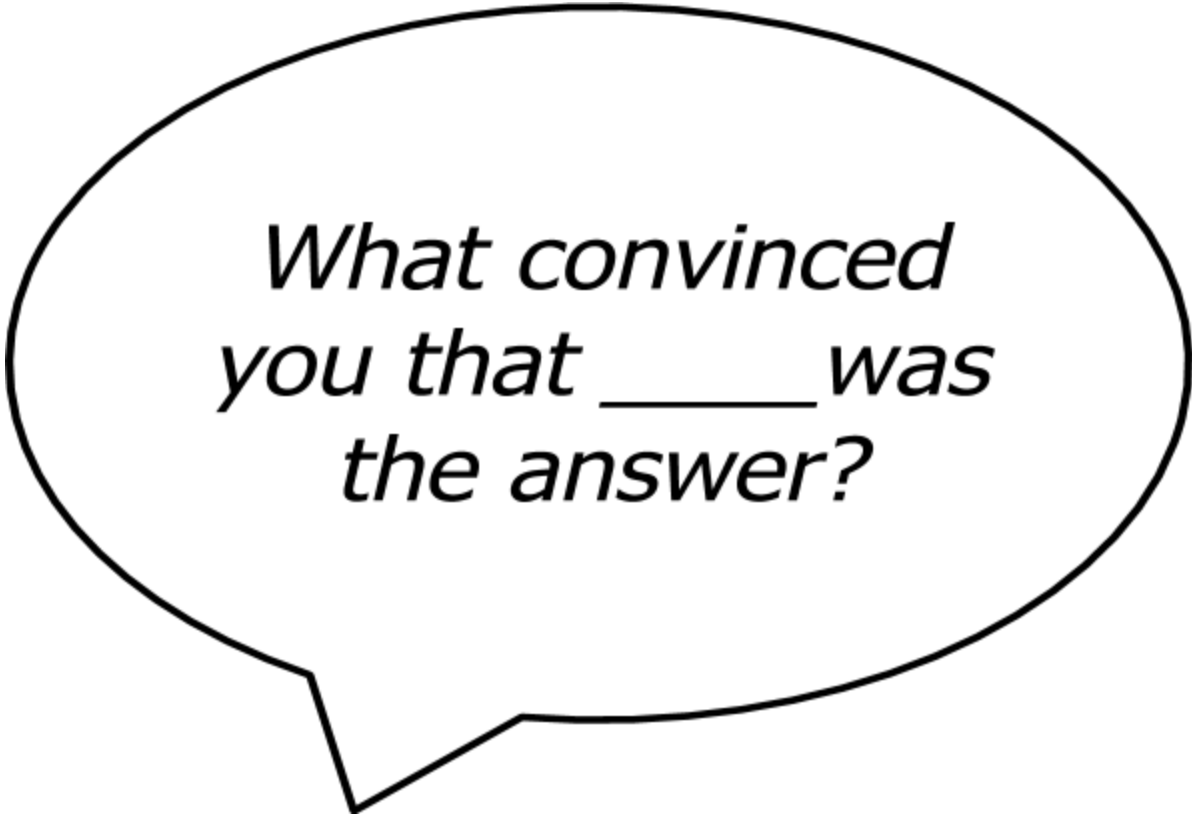

\_\_\_\_\_, can you  
repeat what \_\_\_\_\_  
said in your own words?

...

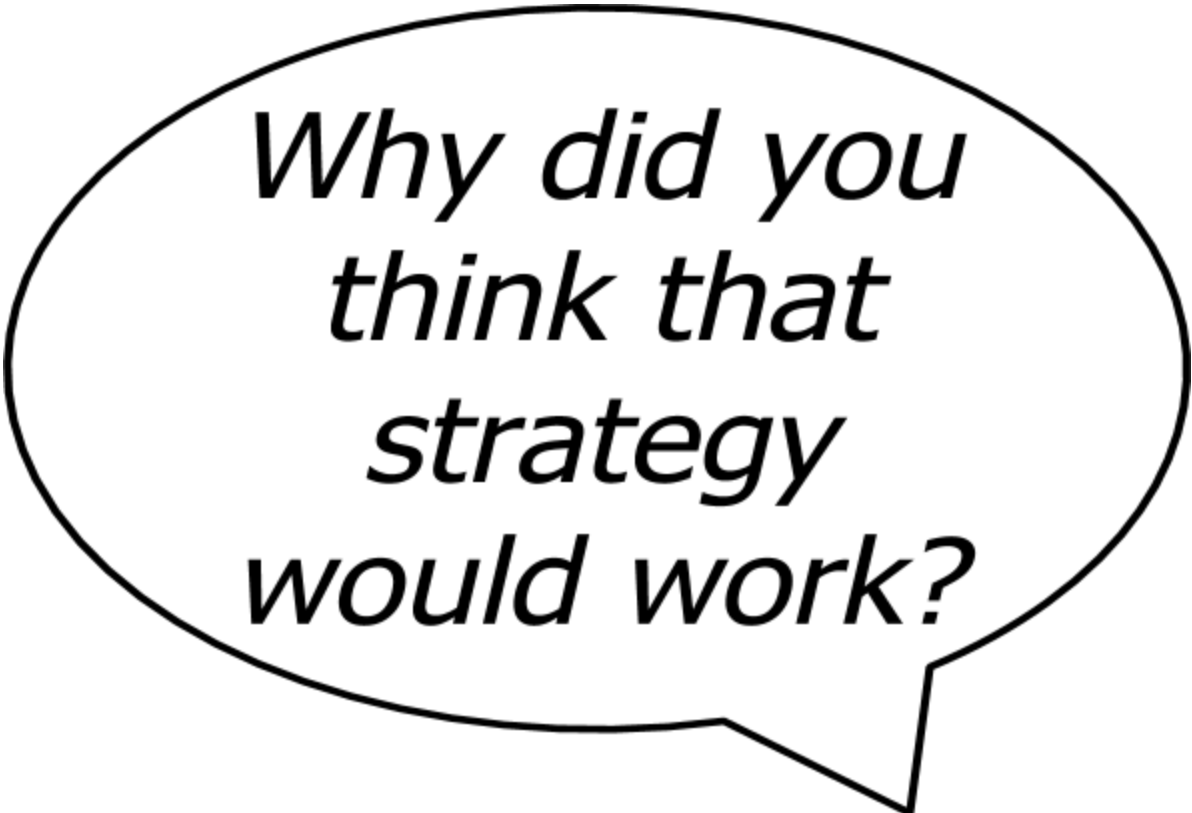

\_\_\_\_\_, is that  
correct?

*Why do you  
think that?*

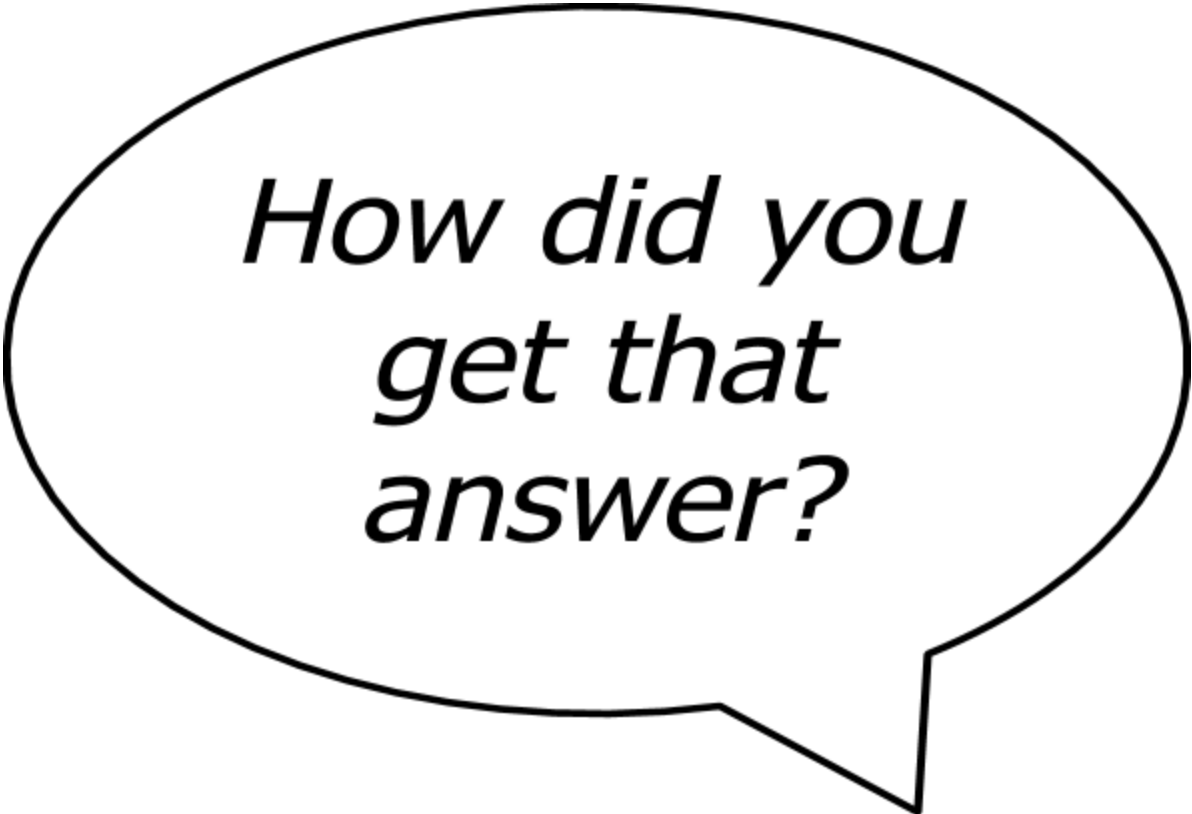

*What convinced  
you that \_\_\_\_\_ was  
the answer?*

*Why did you  
think that  
strategy  
would work?*

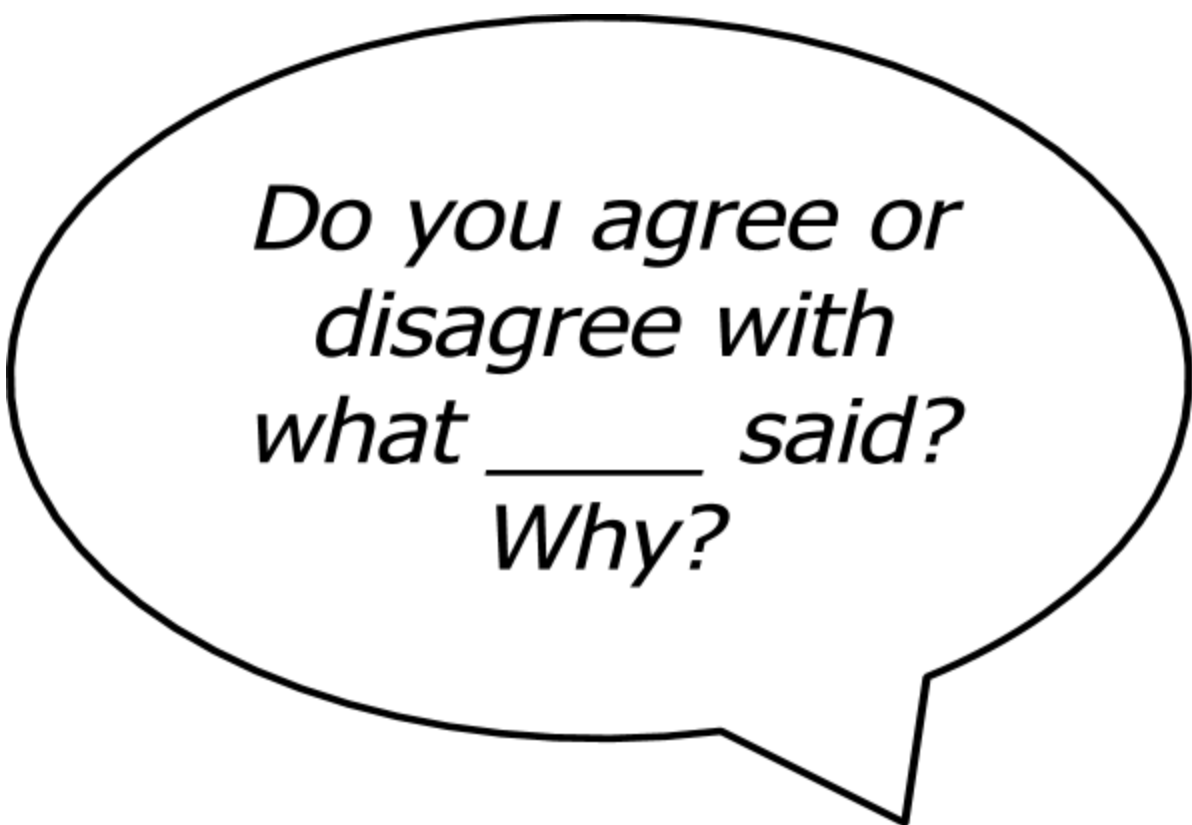

*What is your  
evidence?*

*How did you  
get that  
answer?*

*Can you  
prove that to  
us?*

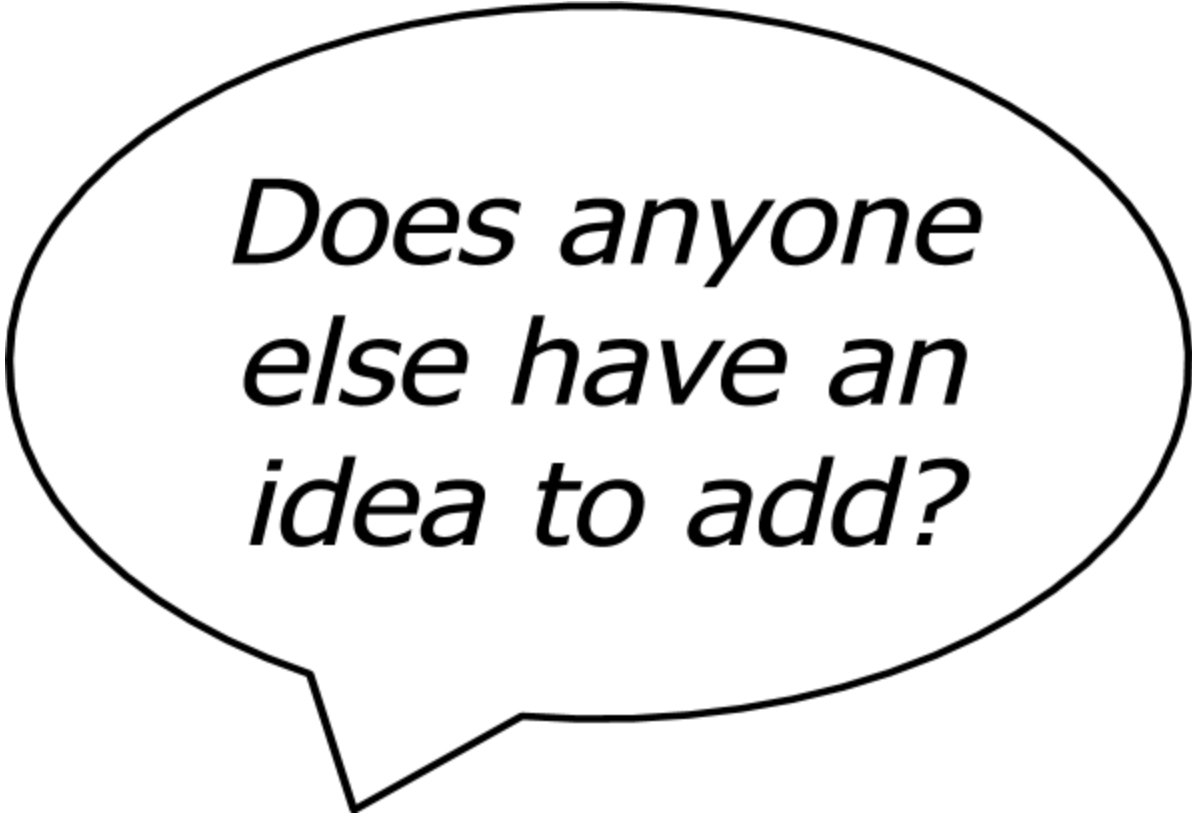

*Do you agree or  
disagree with  
what \_\_\_\_\_ said?  
Why?*

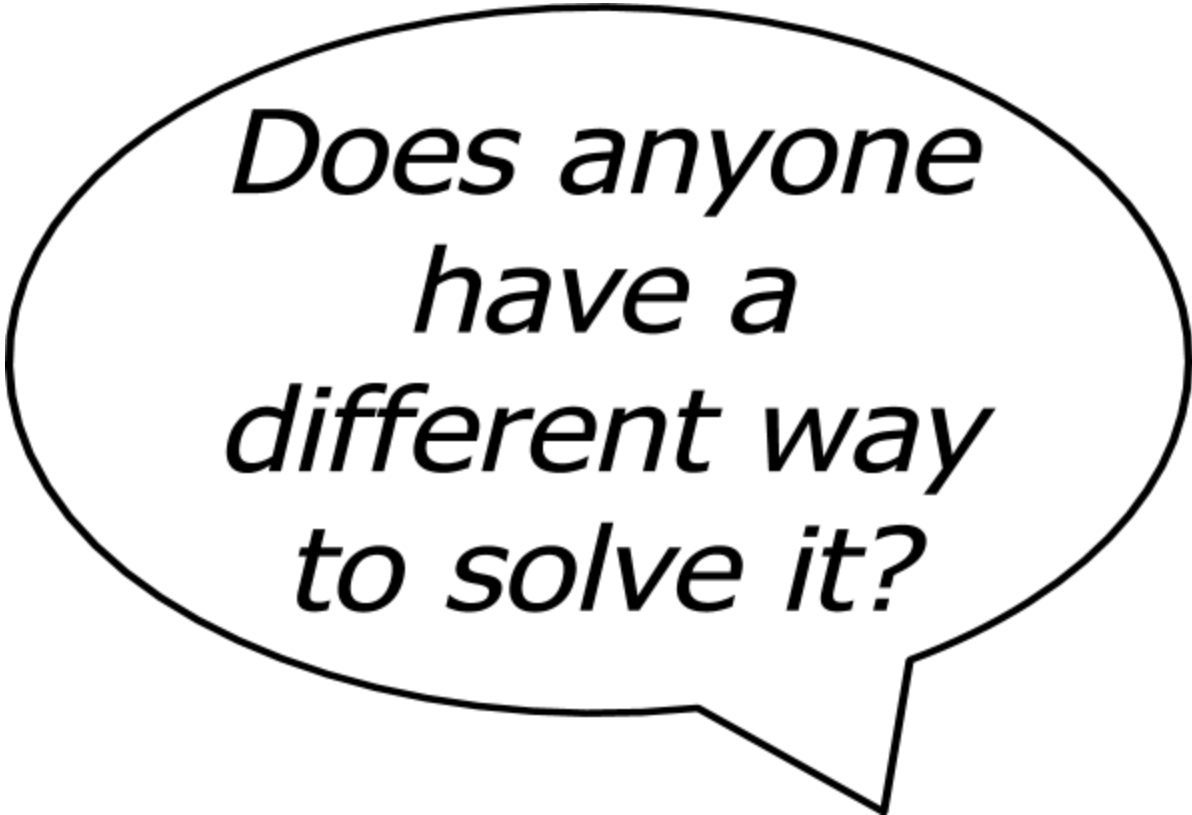

*Show me thumbs  
up if you agree or  
thumbs down if  
you disagree.*

*Would  
someone like  
to add on?*

*Does anyone  
else have an  
idea to add?*

*Does anyone  
have a  
different way  
to solve it?*

*Take your  
time...  
thinking  
takes time.*

*Show me  
thumbs up  
when you think  
you have an  
idea.*
