

EMERGING TRENDS IN WORKERS' COMPENSATION SUMMIT

January 28, 2016

7:30am - 5:00pm

**Sheraton Carlsbad Resort & Spa
5480 Grand Pacific Dr.
Carlsbad, CA**

Join us along the beautiful California coast for a conversation with some of the foremost experts on all things workers' compensation, wellness and innovative technologies. Hear forward-thinking, provocative commentary and expert analysis on what the future holds for employers in this ever changing modern employment landscape. Topics to include: Wearable Technology; Telemedicine; Innovative Risk Control Strategies; Emerging Medical & Healthcare Trends; Hardware Removal — all of which have far reaching workers' compensation implications for all stakeholders.
