Coach Lattimore and Staff,

My name is Max and I am a sophomore at Wantagh High School in Long Island. I am a varsity midfielder, third in points and the leading scorer at my position. I was also voted a captain. I am reaching out to introduce myself and express my interest in playing for your program.

I have a 3.7 GPA and scored 1300 on the PSAT this fall. I plan to take the SAT this spring. I am taking AP classes in History and Calculus.

I am interested in mathematics and business, and know per LinkedIn info that those are popular paths for Holy Cross graduates. The campus size is a good fit for me.

I have watched your games online and believe I can contribute to your program.

My club team, the Demo Lacrosse Demolishers, will be attending a number of recruiting tournaments this summer (listed in my recruit calendar). My highlight videos (recently added new fall highlights), athletic info and transcript are located in my profile.

I copied my club coach on this email.

Please let me know if there is any additional information I can send you. I plan to visit your campus this August.

Thanks.
Max Bromontana
