ACU Endorses Fiona McFarland

Alexandria, VA – The American Conservative Union (ACU) today announced its endorsement of Fiona McFarland for election in Florida to the Florida House of Representatives in the 72nd District.

“Fiona McFarland would be an excellent lawmaker for the people of Florida,” **said ACU Chairman Matt Schlapp**. “Proudly serving our country for the past twelve years in the United States Navy, Fiona is dedicated to service and has the passion and values required to work toward conservative solutions in the Florida House of Representatives. Fiona’s life experience proves that she is highly capable of being a strong advocate for the Sarasota community, and we at ACU endorse her for Florida’s 72nd House District without hesitation.”

Founded in 1964, the American Conservative Union (ACU) is the nation’s original conservative organization. For more than fifty years, ACU has served as an umbrella organization harnessing the collective strength of conservative organizations fighting for Americans who are concerned with liberty, personal responsibility, traditional values, and strong national defense. As one of America's premier conservative voices, ACU promotes a conservative vision on issues before Congress, the Executive Branch, State Legislatures, the media, political candidates, and the public.
